

U.S. Department of Energy Energy Information Administration Form EIA-826 (2005)	MONTHLY ELECTRIC SALES AND REVENUE WITH STATE DISTRIBUTIONS REPORT	Form Approved OMB No. 1905-0129 Approval Expires: 11/30/2007
PURPOSE	<p>Form EIA-826 collects information from electric utilities, energy service providers, and distribution companies that sell or deliver electric power to end users. Data collected on this form includes sales and revenue for all end-use sectors (residential, commercial, industrial, and transportation). The data from this form appear in the following EIA publications: <i>Electric Power Monthly</i>, <i>Monthly Energy Review</i>, and <i>Annual Energy Review</i>. The data collected on this form are used to monitor the current status and trends of the electric power industry and to evaluate the future of the industry. Data reported in Schedule 1, Part B relating to Revenue, Megawatthours Sold, and Number of Customers will be protected. Additionally, information reported in Schedule 1, Part D, provided by retail energy providers or marketers providing bundled service, or energy sales only will also be protected.</p>	
REQUIRED RESPONDENTS	<p>The Form EIA-826 is to be completed by those electric utilities, energy service providers, and distribution companies that sell or distribute electric power to end users and have been selected to report electric energy information on a monthly basis. The Form EIA-826 is a statistical sample of respondents chosen from the respondent frame of the Form EIA-861, "Annual Electric Power Industry Report." The Form EIA-861 is used to collect sales of electricity and associated revenue from all electric utilities, energy service providers, and distribution companies in the United States on an annual basis.</p>	
RESPONSE DUE DATE	<p>Submit the completed Form EIA-826 to the EIA by the 40th calendar day following the close of the reporting month. For example, if reporting data for June, the survey is due on August 10.</p>	
METHODS OF FILING RESPONSE	<p>Submit your data electronically using EIA's secure Internet Data Collection system (IDC). This system uses security protocols to protect information against unauthorized access during transmission.</p> <ul style="list-style-type: none"> • If you have not registered with EIA's Single Sign-On system, send an e-mail requesting assistance to: EIA-826@eia.doe.gov. • If you have registered with Single Sign-On, log on at https://signon.eia.doe.gov/ssoserver/login. • If you are having a technical problem with logging into the IDC or using the IDC contact the IDC Help Desk for further information. **GENERAL
INSTRUCTIONS**

Submit the completed Form EIA-826 to the EIA by the 40th calendar day, following the close of the reporting month.

1. Verify the information at the top portion of the form including the respondent name, contact(s), telephone number(s), FAX number(s), and e-mail address(s). Verify all provided information. If incorrect, provide the correct information. Correct format for State codes are the two-letter U.S. Postal Service abbreviation. Provide any missing information.
2. Enter zero for States without revenue, megawatthours, or number of customers to report for a sector. **Do not leave these data fields blank.**
3. Submit revisions to data previously reported as soon as possible after the error or omission is discovered. Do not wait until the next reporting month's form is due to send resubmission(s). A new submission must be completed for each revised page.
4. If you are unable to make a revision through the IDC because the monthly data file has been locked, please e-mail your revisions to EIA-826@eia.doe.gov.
5. Explanations of entries or other comments may be provided in the comment section.

**ITEM-BY-ITEM
INSTRUCTIONS**

**Schedule 1. Sales to Ultimate Customers,
Part A. Full Service - Energy and Delivery Service (Bundled).**

Enter the reporting month revenue (thousand dollars), megawatthours sold or delivered, and number of customers for sales of electricity to ultimate customers by State and customer class category for whom your utility provided both energy and delivery service. For public street and highway lighting, count all poles in a community as one customer. Note: For sales to customer groups using brokers or aggregators, continue to count each customer separately. For instance, count a group of franchised commercial establishments aggregated through a single broker as separate customers (as reported in prior years). Enter the two-letter U.S. Postal Service abbreviation (if not preprinted) for the State in which the electric sales occur.

**Schedule 1. Sales to Ultimate Customers,
Part B. Energy-Only Service (Without Delivery Service).**

Enter the reporting month revenue (thousand dollars), megawatthours sold, and number of customers for sales of electricity to ultimate customers by State and customer class category for which your company provided only the energy consumed, where another electric company provided delivery services, including, for example, billing, administrative support, and line maintenance. Enter the two-letter U.S. Postal Service abbreviation (if not preprinted) for the State in which the electric sales occur.

**Schedule 1. Sales to Ultimate Customers,
Part C. Delivery-Only Service (and All Other Charges).**

Enter the reporting month revenue (thousand dollars), megawatthours delivered, and number of customers for sales of electricity to ultimate customers in your service territory by State and customer class category for which your company provided energy delivery services, where another electric company supplied the energy. Enter the two-letter U.S. Postal Service abbreviation (if not preprinted) for the State in which the electric sales occur.

Schedule 1. Sales to Ultimate Customers, Part D. Bundled Service by Retail Energy Providers, or Any Power Marketer that Provides "Bundled Service."

Enter the reporting month revenue (thousand dollars), megawatthours sold and delivered, and number of customers for sales of electricity to ultimate customers by State and customer class category for whom your company provided both energy and delivery service. For public street and highway lighting, count all poles in a community as one customer. Note: For sales to customer groups using brokers or aggregators, continue to count each customer separately. For instance, count a group of franchised commercial establishments aggregated through a single broker as separate customers (as reported in prior years). (Note: Texas Retail Energy Providers (REPs) include delivery revenues.) Enter the two-letter U.S. Postal Service abbreviation (if not preprinted) for the State in which the electric sales occur.

Parts A-D, Schedule 1

1. For column a, **Residential**, enter the revenue, megawatthours, and number of customers for residential (household) purposes. For the residential class, do not duplicate the customer accounts due to multiple metering for special services (e.g., water heating, etc.).
2. For column b, **Commercial**, enter the revenue, megawatthours, and number of customers for commercial purposes.
3. For column c, **Industrial**, enter the revenue, megawatthours, and number of customers for industrial purposes.
4. For column d, **Transportation**, enter the revenue, megawatthours, and number of customers for electric energy supplied for transportation purposes.
5. For column e, **Total**, enter, for each State, the sum of the revenue, megawatthours, and number of customers entered for residential, commercial, industrial, and transportation sales.
6. Previously reported "public street and highway lighting" data should now be included in the commercial sector. Irrigation data should now be included in the industrial sector.
7. Attach additional sheet(s), if required.
8. Refer to the Glossary for the definition of selected terms.

Schedule 2. Mergers and/or Acquisitions

If a merger or acquisition has occurred during the reporting period, report those newly-acquired corporate entities whose operations are now included in this report.
