FEES AND CHARGES

<u>HOURLY CHARGES:</u>	<u>Non-commitment</u>	<u>Commitment</u>
Regular	\$47.00	\$40.50
Overtime	\$60.00	\$48.50
Holidays	\$73.00	

Hourly rates will apply:

1. When no other fee is established.
2. The service is requested at the inspection station outside published office hours. Applicable fees or the hourly charge will be charged whichever is greater.
3. The service requires assignment of employees away from the permanently staffed inspection office.
4. For standby time when the service cannot be performed through no fault of California Agri Inspection Company., Ltd.
5. When applicable for a minimum of four hours per request per employee and thereafter in quarter hour increments.

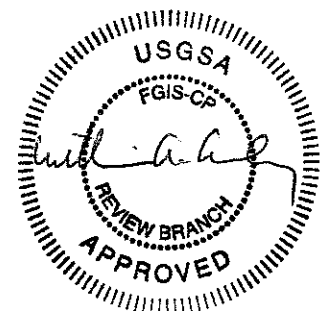

CONTRACTS: Contracts may be negotiated with applicants on case-by-case basis to provide a more cost effective service for our customers.

TRAVEL EXPENSES: A mileage fee of (current IRS mileage rate applies) per mile or actual transportation expense and travel time at the applicable hourly rate, plus the established per diem rate, when applicable, will be assessed when performing a service away from a permanently staffed inspection point office. Any change to the mileage rate is effective when the IRS changes their standard mileage rate.

GUARANTEE OF EXPENSE: When service is requested that requires assignment of personnel at a point where the volume of work at the established fees may not be adequate to pay the cost of providing the service, a guarantee of the expense of providing the service may be required.

TIMELY PAYMENT: Payment is due on receipt of the invoice. If payment is not received within 30 days after the invoice date, a penalty of one and one-half percent per month, or fraction thereof, will be assessed. In addition, service may be withheld until the delinquent account is paid and a cash deposit is made guaranteeing payment for future services.

STOWAGE EXAMINATION: Water transportation to and from vessels at anchor must be furnished. On general cargo and bulk cargo vessels, all stowage space designated by a hold number, including lower holds, between deck(s), deep tanks, or wing tanks are considered one hold. On tankers, each wing tank and each center tank shall individually be considered one tank.
