GRAIN INSPECTION FEES AND CHARGES FOR CALIFORNIA

EFFECTIVE DATE: January 1, 2008. Federal Grain Inspection Service (FGIS) must approve all fees for official services and official agencies will assess only those fees appearing on their current approved fee schedule. FGIS user fees included.

REGULAR HOURS: 8:00 am to 5:00 pm Monday through Friday except holidays. All other weekly hours, Saturday, Sunday and Holidays will be considered overtime. Holidays include New Years Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, and Christmas Day.

HOURLY RATES: \$35.00 per hour per individual during regularly scheduled hours and \$52.50 per individual during overtime hours, assessed in quarter-hour increments. Overtime will be assessed in addition to unit fees with a four-hour minimum for service performed on Saturday, Sunday, or Holidays. Travel time will be assessed at the applicable hourly rate for service with a one-hour minimum charge.

MILEAGE: The IRS standard mileage rate will be assessed for actual miles traveled. Any change to the mileage rate is effective when the IRS changes their standard mileage rate. Mileage prorated where appropriate i.e., more than one location serviced in one trip.

TIMELY PAYMENT AND ASSESSMENT OF FINANCE CHARGES: Invoices will be issued monthly. Payment is due upon receipt of the invoice. If payment is not received within 60 days after the invoice date, additional finance charges will be applied as allowed by the state of California. In addition, service may be withheld until the delinquent account is paid and/or a cash deposit is made guaranteeing payment for future services.
