**Re: SECTION 403(r)(6) NOTIFICATION**

Dear Sir or Madam:

In accordance with the requirements of section 403(r)(6) of the Federal Food, Drug and Cosmetic Act, Melaleuca, Inc., notifies FDA that it has begun using the following statements:

- Studies have shown that these all-natural ingredients help maintain proper urinary function and significantly promote prostate health.
- Study after study reveals that saw palmetto berry and pumpkin seed contribute to prostate health and help many men enjoy active lives.
- Zinc also exerts a positive influence on prostate health.
- The all-natural ingredients in ProstAvan work together to nourish the male reproductive and urinary systems, so you maintain a high level of prostate health.

These statements contain the statutory disclaimer. The name of the dietary supplement is ProstAvan®, and the relevant dietary ingredients are saw palmetto berry extract, pumpkin seed extract, and lycopene extract.

I certify that the foregoing is complete and accurate, and that Melaleuca, Inc., has substantiation that the statements are truthful and not misleading.

Very truly yours,

Melaleuca, Inc.
