Dear Mr. Smith,

As per our Telephone conversation on September 2, 2003 this is a request for an extension of our laser light show variance which expired August 31, 2003. Due to an oversight on our part, we failed to apply for an extension prior to that date. We respectfully request the extension of our laser light show product as described in FDA Docket Number 79P-0236 with CDRH Accession Number 79A-0356. We request this extension for a period of 2 years. If you have any questions, please contact me at 310 823-4315.

Thank you very much for your consideration.

Sincerely,

Barney Kaelin
President
