Dear Sir or Madam:

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Dolisos America, Inc. wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement of nutritional support.

The dietary supplement for which the statement is made is **Eluslim™**.

The statement of nutritional support reads as follows:

- A Scientifically Advanced Weight Management Formula
- Suppresses Appetite in conjunction with appropriate diet and exercise
- Reduces Body Fat in conjunction with appropriate diet and exercise
- Reduces Fluid Retention in conjunction with appropriate diet and exercise
- Maintains Healthy Body Weight in conjunction with appropriate diet and exercise
- An all-natural extract of Kelp to provide optimal levels of iodine for normal thyroid function in conjunction with appropriate diet and exercise
- A powerful combination of three botanical extracts – Bitter Orange, Guarana, and Green Tea – work synergistically to enhance thermogenesis, the rate at which your cells work to burn fat in conjunction with appropriate diet and exercise
- Garcinia and Hibiscus are combined together to provide a rich source of (-) Hydroxycitric Acid (HCA). Some research studies have shown that HCA supports a healthy percentage of body fat as well as suppressing the appetite in conjunction with appropriate diet and exercise
- A botanical extract of Hawkweed used for decades by French women to enhance fluid elimination in conjunction with appropriate diet and exercise
- ChromeMate® Chromium, a unique ingredient, to help synergistically with maintaining optimal function of the metabolism in conjunction with appropriate diet and exercise

This statement is accompanied by the required disclaimer, which is prominently displayed in bold-faced type.

This statement of nutritional support is based on data, which renders these statements substantiated, truthful and non-misleading.

Sincerely,

Leandra Even, N.D., A.P.H.
