

3683 02 JUN 22 P2:04

NOTIFICATION PURSUANT TO
SECTION VI OF DSHEA

In compliance with Section VI of the Dietary Supplement Health Education Act (DSHEA) and Rule 21 C.F.R. 101.93, this Notification is filed on behalf of the following manufacturer of **Schiff® Bone Builder with Calcium, Product #12706** bearing the statement(s) set out below:

Weider Nutrition International Inc.
2002 South 5070 West
Salt Lake City, Utah 84104

The text of each structure/function claim is as follows:

Packaging:

(Statement 1) Included inside is a self-help program to develop strong bones throughout your lifetime and in the postmenopausal years. Factors with affect bone health, including dietary recommendations, specific bone-building exercises, lifestyle habits that deplete bone mass and supplements to naturally supply the nutrients needed to maintain good bone health are discussed. By following the complete self-help program, you will feel confident in knowing that you have made important strides to help maintain good bone health.

(Statement 2) Boron, copper, zinc, manganese – play accessory roles in the growth and maintenance of strong bones.

(Statement 3) Fennel, Black Cohost, Blessed Thistle – herbs traditionally used by women.

Website:

(Statement 1) Primary Uses: Maintaining bone strength and health.

(Statement 2) A combination of calcium, vitamin K, boron and other supportive nutrients for bone health. Bone health is dependent on optimal intakes of minerals, especially calcium, magnesium, zinc, and boron.
