Re: 21 U.S.C. Section 343 (r) (6), Notification of Statements on Dietary Supplements

Dear Sir or Madam:

On behalf of Annasa, Inc., I hereby notify the Food and Drug Administration of the use of statements of nutritional support for the following dietary supplement products:

Amino ICG	<p>Cellular Regeneration Complex. Amino ICG helps build stores of intracellular glutathione in your body. Glutathione is a naturally occurring protein produced by the body that appears to be a sensitive indicator of the cell's overall health and its ability to resist toxic challenges.</p>
Clear & Restore	<p>Daily Cellular Cleanser. Clear & Restore is a gentle, daily use product that helps support the body's natural detoxification process and helps maintain our friendly intestinal flora.</p>
Primary Toxin Shield	<p>Primary Toxin Shield. Primary Toxin Shield supports the body's natural detoxification processes to help protect your cells and tissues from damage caused by everyday toxin exposure.</p>
R-Defense	<p>Free Radical Protector Complex. A powerful, super-antioxidant designed to help your body defend against free radical attacks. Helps support optimum functioning of your immune and circulatory systems, your prostate and adrenal glands. Helps promote breast health.</p>

Please be advised that the label of each of the above dietary supplement products includes the statement that "These statements have not been evaluated by the Food
