The term "Contract" as used herein means the written agreement provided under Section 3517.5 of the Government Code.

ARTICLE 1 – RECOGNITION

- A. (Unit 20) Pursuant to Public Employment Relations Board (PERB) Decision S-SR-20, the State recognizes CSEA (Civil Service Division), Local 1000, SEIU, as the exclusive representative for the Medical and Social Services Specialists Bargaining Unit, hereinafter referred to as Unit 20. Unit 20 consists of all employees in the job classifications listed by title in Appendix "A" attached hereto and incorporated by reference as a part of this Contract.
- B. Pursuant to Government Code Sections 19815.4 and 3517, CSEA, Local 1000, SEIU, recognizes the Director of the Department of Personnel Administration or his/her designee as the negotiating representative for the State and shall negotiate exclusively with the Director or his/her designee, except as otherwise specifically spelled out in this Contract.

CSEA (the Civil Service Division) agrees to hold the State harmless, defend and indemnify the State and its officers, agents, and employees for fees, costs, and damages resulting from a challenge, in any forum (administrative or judicial) by any person or entity, to the provisions of this Article.

ARTICLE 2 – UNION REPRESENTATION RIGHTS

2.1 Union Representatives

- A. The State recognizes and agrees to deal with designated Union stewards, elected bargaining unit council representatives, and/or Union staff on the following:
 - 1. The enforcement of this Contract;
 - 2. Employee discipline cases, including investigatory interviews of an employee who is the subject of a non-criminal investigation;
 - 3. Informal settlement conferences or formal hearings conducted by the Public Employment Relations Board (PERB);

4. Matters scheduled for hearing by the Victim Compensation and Government Claims Board;

- B. A written list of Union stewards, and elected bargaining unit council representatives broken down by department, unit, and designated area of representation, shall be furnished to each department and a copy sent to the State immediately after their designation. The Union shall notify the State promptly of any changes of such stewards. Union stewards shall not be recognized by the State until such lists or changes thereto are received.
- C. Area of Representation – A Union steward's "area of primary representation" is defined as an institution, office, or building. However, the parties recognize that it may be necessary for the Union to assign a steward an area of representation for several small offices, department, or buildings within close proximity. Disputes regarding this paragraph may be appealed directly to the DPA Step of the Grievance Procedure.

2.2 Access

- A. Union stewards, Union staff, and/or elected bargaining unit council representatives may have access to employees to represent them pursuant to Section 2.1 A. above. Access shall not interfere with the work of the employees. Union stewards, Union staff, or elected bargaining unit council representatives seeking access to employees must notify the department head or designee in advance of the visit.
- B. Access to bargaining unit employees shall not be unreasonably withheld; however, it may be restricted for reasons of safety, security, or patient care including patient privacy. If access is restricted, other reasonable accommodations shall be made.

2.3 Use of State Equipment

When required in advance, the Union shall reimburse the State for additional costs incurred. A copy of all materials posted must be distributed to the facility or office supervisor at the time of posting.
- B. The Union may, before or after work hours or during meal and rest periods, distribute Union literature. Distribution of Union information shall not be unreasonably denied or disrupt the work of others. However, if access for distribution of information is restricted for safety, security, or patient care including patient privacy, other reasonable accommodation will be made in accordance with department procedures.
- C. The Union may continue to use existing employee mailboxes and in-baskets for distribution of literature. Such information will be distributed to departmental employees based on the department's policies and procedures in distributing other non-business information.
- D. The Union agrees that any literature posted or distributed on site will not be libelous, obscene, defamatory, or of a partisan political nature.
- E. The Union shall be permitted incidental and minimal use of State electronic communication systems for communication of Union activities as the departments permit for other non-business purposes.

When required in advance, the Union shall reimburse the State for additional expenses, such as security, maintenance, and facility management costs or utilities, incurred as a result of the Union's use of such State facilities.

2.6 Steward Time Off

Upon request of an aggrieved employee, a steward shall be allowed reasonable time off during working hours, without loss of compensation, for representational purposes in accordance with Section 2.1 A. of this Contract, provided the employee represented is in the steward's designated area of representation. Release time for these purposes is subject to prior notification and approval by the steward's immediate supervisor. Upon mutual agreement of the parties, a reasonable number of additional stewards can also be granted reasonable time off under this section.

2.7 Employee Time Off

Employees shall be entitled to reasonable time off without loss of compensation to confer with a Union representative on representational matters at the work site in accordance with Section 2.2 above during work hours, subject to approval of the employee's supervisor.

2.8 Union Steward Protection

The State shall be prohibited from imposing or threatening to impose reprisals, from discriminating or threatening to discriminate against Union stewards, or otherwise interfering with, restraining, or coercing Union stewards because of the exercise of any rights given by this Contract.

ARTICLE 3 – UNION SECURITY

3.1 Union Security

The State agrees to deduct and transmit to the Union all membership dues authorized on a form provided by the Union. Effective with the beginning of the first pay period following ratification of this Contract by the Legislature and the Union, the State agrees to calculate, deduct, and transmit to the Union, Fair Share fees from State employees who do not have membership dues deductions for the Union, based upon an amount or

formula furnished by the Union for Fair Share fees deductions. The State further agrees to recalculate, deduct, and transmit Fair Share fees to the Union based upon any revised amounts or formulas furnished by the Union for Fair Share fees deductions during the term of this Contract. The State and the Union agree that a system of authorized dues deductions and a system of Fair Share fee deductions shall be operated in accordance with Government Code Sections 3513(h), 3513(j), 3515, 3515.6, 3515.7, and 3515.8, subject to the following provisions:

1. When Fair Share fees are in effect, an employee may withdraw from membership in the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller at any time. An employee who so withdraws his/her membership shall be subject to paying a Fair Share fee, if such a fee is applicable.
2. The Union agrees to indemnify, defend, and hold the State and its agents harmless against any claims made of any nature and against any suit instituted against the State arising from this section and the deductions arising therefrom.
3. The Union agrees to annually notify all State employees who pay Fair Share fees of their right to demand and receive from the Union a return of part of that fee pursuant to Government Code Section 3515.8.
4. No provisions of this section or any disputes arising thereunder shall be subject to the grievance and arbitration procedure contained in this Contract.
5. Should a rescission election be successful, the written authorization for payroll deductions for Union membership shall remain in full force and effect during the life of this contract except that any employee may withdraw from the Union by sending a signed withdrawal letter to the Union with a copy to the State Controller's Office within thirty (30) calendar days prior to the expiration of this Contract.

3.2 Release of Home Addresses: Non Law Enforcement Employees

A. Home Addresses - Generally

1. Consistent with PERB regulations and State law, the State shall continue to provide the Union with home addresses on a monthly basis for all employees covered by this Contract until it expires.
2. Notwithstanding any other provision of this Contract, any employee may have his/her home address withheld from the Union at any time by submitting a written request to his/her appointing power on a form provided by the State.

B. Home Address Withholding

The State will no longer use an Employee Action Request form that provides employees with the option of having their home address withheld from the Union. Instead, bargaining unit employees will, upon request on their own initiative, be given a separate form by their appointing power that permits two choices: (1) withhold their address from the Union, or (2) to cancel a previous withhold request thereby permitting release of their home address to the Union.

C. Home Address Withhold Notification to Employees

Within one month following ratification of this Contract by both parties, the State will send a letter drafted by the Union to all existing employees that have previously requested their home address be withheld. The letter will provide said employees with the option of canceling their previous withhold request thereby permitting release of their home address to the Union.

D. Release and Use of Addresses

The State Controller's Office shall send the Union a list of all Bargaining Unit 1, 4, 11, 14, 15 and 20 employees who, pursuant to subsection C. above, either did not respond or responded by indicating they wanted to continue withholding their home address from the Union. Said list(s) will contain the employee's name, agency, and reporting unit.

E. Home Address Mailings by the State

The State will mail Union information once per year to the home address of bargaining unit employees who have requested their home address be withheld from the Union. Said material shall be provided by the Union. The cost of this mailing shall be paid for by the Union. The Union agrees to hold the State harmless for any annual mail that does not reach Bargaining Unit 1, 4, 11, 14, 15, or 20 employees.

F. Address Confidentiality

Employee work and home addresses shall be maintained as confidential by the Union. The Union shall take all reasonable steps to ensure the security of work and home addresses, and shall not disclose or otherwise make them available to any person, entity, or organization.

G. Costs Reimbursable

The Union agrees to pay necessary and reasonable costs incurred by the State Controller's Office to produce the necessary name/home/work address tape file on a monthly basis.

H. Hold Harmless and Indemnification

Notwithstanding any other provision of this Contract, the Union agrees to jointly defend this section and to hold the State of California, its subdivisions, and agents harmless in defending challenges of any nature arising as a result of this section of the Contract.

I. Nature of Material

The Union agrees that any literature mailed to employees by the State will not be libelous, obscene, defamatory, or of a partisan political nature or constitute a solicitation of any product or service unrelated to representation by the Union, including that provided by and mailed on behalf of the Union. Advertisements or articles in Union provided material involving partisan politics shall not be considered of a partisan political nature or constitute a solicitation of any product or service for the purposes of this Contract.

ARTICLE 4 – STATE’S RIGHTS

- A. Except for those rights which are abridged or limited by this Contract, all rights are reserved to the State.
- B. Consistent with this Contract, the rights of the State shall include, but not be limited to, the right to determine the mission of its constituent departments, commissions, and boards; to maintain efficiency of State operation; to set standards of service; to determine, consistent with Article VII of the Constitution, the Civil Service Act, and rules pertaining thereto, the procedures and standards of selection for employment and promotion, layoff, assignment, scheduling and training; to determine the methods, means, and personnel by which State operations are to be conducted; to take all necessary action to carry out its mission in emergencies; to exercise control and discretion over the merits, necessity, or organization of any service or activity provided by law or executive order. The State has the right to make reasonable rules and regulations pertaining to employees consistent with this Contract, provided that any such rule shall be uniformly applied to all affected employees who are similarly situated.
- C. This Article is not intended to, nor may it be construed to, contravene the spirit or intent of the merit principle in State employment, nor limit the rights of State Civil Service employees provided by Article VII of the State Constitution or bylaws and rules enacted thereto. Any matters which concern the application of the merit principle to State employees are exclusively within the purview of those processes provided by Article VII of the State Constitution or bylaws and rules enacted thereto.

ARTICLE 5 – GENERAL PROVISIONS

5.1 No Strike

- A. During the term of this Contract, neither the Union nor its agents nor any employee, for any reason, will authorize, institute, aid, condone, or engage in a work slowdown, work stoppage, strike, or any other interference with the work and statutory functions or obligations of the State.
- B. The Union agrees to notify all of its officers, stewards, chief stewards, and staff of their obligation and responsibility for maintaining compliance with this section, including the responsibility to remain at work during any activity which may be caused or initiated by others, and to encourage employees violating this section to return to work.

5.2 No Lockout

In the event that traditional, but unofficial holidays (e.g., Mother's Day, Father's Day), or religious holidays (e.g., Easter or Yom Kippur) fall on an employee's scheduled workday, the employee shall have the option to request the use of annual leave, accrued vacation, holiday credits, personal leave or CTO time, in order to secure the day off. The department head or designee shall make a reasonable effort to grant an employee the day off subject to operational need.

ARTICLE 8 – LEAVES

8.1 Vacation Leave

- A. Employees shall not be entitled to vacation leave credit for the first six (6) months of service. On the first day of the monthly pay period following completion of six (6) qualifying monthly pay periods of continuous service, all full-time employees covered by this section shall receive a one-time vacation bonus of forty-two (42) hours of vacation credit. Thereafter, for each additional qualifying monthly pay period, the employee shall be allowed credit for vacation with pay on the first day of the following month as follows:

7 months to 3 years	7 hours per month
37 months to 10 years	10 hours per month
121 months to 15 years	12 hours per month
181 months to 20 years	13 hours per month
20 years and over	14 hours per month

An employee who returns to State service after an absence of six (6) months or longer, caused by a permanent separation, shall receive a one-time vacation credit on the first monthly pay period following completion of six (6) qualifying pay periods of continuous service in accordance with the employee's total State service before and after the absence.

- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn vacation credits as set forth under Item A. above. Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days which fall into two consecutive qualifying pay periods shall disqualify the second pay period.
- C. Employees working less than full-time accrue vacation in accordance with the chart shown in Section 7 L. of this Contract.
- D. Vacation credits may be taken in fifteen (15) minute increments.

- E. Employees are authorized to use existing fractional vacation hours that may have been accumulated.
- F. Upon termination from State employment, the employee shall be paid for accrued vacation credits for all accrued vacation time.
- G. Subject to operational needs, the time when vacation shall be taken by the employee shall not be unreasonably denied. Employee vacation requests shall be submitted and granted or denied in writing in a timely manner. Vacations can only be cancelled when unanticipated operational needs require it.
- H. Vacation requests must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same vacation time and approval cannot be given to all employees requesting it, employees shall be granted their preferred vacation period in order of seniority (defined as total months of State service in the same manner as vacation is accumulated). When two (2) or more employees have the same amount of State service, department seniority will be used to break the tie. Vacation schedules, which have been established in a work unit, pursuant to the seniority provisions in this Article, shall not be affected by employee(s) entering the unit after the schedule has been established.
- I. By June 1 of each calendar year those employees whose vacation balance exceeds, or could exceed by December 31, the vacation cap of Section 8.1 J. must submit to their supervisor for approval a plan to use vacation to bring their balance below the cap. If the employee fails to submit a plan, or adhere to an approved plan, the department head or designee has the right to order an employee to take sufficient vacation to reduce the employee's vacation balance or potential balance on December 31 below the cap specified in Section 8.1 J.
- J. If an employee in Unit 1, 14 and 20 does not use all of the vacation that the employee has accrued in a calendar year, the employee may carry over his/her accrued vacation credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued vacation hours if an employee was unable to reduce his/her accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking vacation until December 31 because of sick leave; or (5) was on jury duty.

8.2 Sick Leave

- A. As used in this section, "sick leave" means the necessary absence from duty of an employee because of:
 - 1. Illness or injury, including illness or injury relating to pregnancy;
 - 2. Exposure to a contagious disease which is determined by a physician to require absence from work;

3. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner;
 4. Absence from duty for attendance upon the employee's ill or injured mother, father, husband, wife, domestic partner (as defined in accordance with Family Code Section 297), son, daughter, brother, sister, or any person residing in the immediate household. Such absence shall be limited to six (6) workdays per occurrence or, in extraordinary situations, to the time necessary for care until physician or other care can be arranged.
- B. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall be eligible for up to eight (8) hours of sick leave credit. On the first day of the monthly pay period following completion of each qualifying pay period of service, each full-time employee shall earn eight (8) hours of credit for sick leave with pay.
- C. Credit for less than full-time employees shall be computed as follows:
1. Part-time employees: On the first day of the monthly pay period following completion of each monthly pay period of continuous service, each part-time employee shall be allowed, on a pro rata basis, the fractional part of his/her appropriate accrual rate of credit for sick leave with pay in accordance with the schedule in Article 7.
 2. Multiple positions under this rule:
 - a. An employee holding a position in State service in addition to the primary full-time position with the State shall not receive credit for sick leave with pay for service in the additional position;
 - b. Where an employee holds two (2) or more "less than full-time positions," the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed the amount earned for (8 hours per pay period) full-time employment credit.
- D. An employee may be required to provide a physician's or licensed practitioner's verification of sick leave when:
1. The employee has a demonstrable pattern of sick leave abuse; or
 2. The supervisor has good reason to believe the absence was for an unauthorized reason. A supervisor has good reason if a prudent person would also believe the absence was for an unauthorized reason.
- E. An employee will not be denied the right to use sick leave or be subject to any type of corrective or disciplinary action, or in any manner discriminated against for using or attempting to exercise his/her right to use sick leave based solely on the amount of use.

- F. The department head or designee shall approve sick leave only after having ascertained that the absence is for an authorized reason and may require the employee to submit substantiating evidence including, but not limited to, a physician's or licensed practitioner's verification. The State recognizes the confidential nature of the relationship between the health care provider and patient. However, such substantiation shall include, but not be limited to, the general nature of the employee's illness or injury and prognosis (i.e., the anticipated length of the absence, any restrictions upon return to work that prevent the employee from performing the full range of his/her normal work assignment and anticipated future absences). If the department head or designee does not consider the evidence adequate, the request for sick leave shall be disapproved. Upon request, a denial of sick leave shall be in writing stating the reason for denial.
- G. Sick leave may be accumulated without limit.
- H. Sick leave may be requested and taken in fifteen (15) minute increments.
- I. A full-time employee whose continuity of employment is broken by a permanent separation of six (6) months or longer and is subsequently reemployed cannot be credited with any unused sick leave accumulated prior to the employee's separation and the full-time employee must complete one month of continuous service before being granted one day of sick leave credit. In addition, when a full-time employee has a break in the continuity of employment because of a permanent separation of less than six (6) months or because of a temporary separation, the full-time employee's prior unused sick leave balance is restored.
- J. When an employee's sick leave balance is zero, other leave credits such as vacation, CTO, PLP, personal holiday, or holiday leave may be substituted with the supervisor's approval, and shall not be unreasonably denied.

8.3.20 Bereavement Leave

- A. A department head or designee shall authorize bereavement leave with pay for a permanent full-time State employee due to death of his/her parent, stepparent, spouse, child, grandchild, grandparent, brother, sister, mother-in-law, father-in-law, daughter-in-law, son-in-law, sister-in-law, brother-in-law, stepchild, or adopted child, or anyone living in the household. Such bereavement leave shall be authorized for up to three (3) regular work days of the employee per occurrence. The employee shall give notice to his/her immediate supervisor as soon as possible and shall, if requested by the employee's supervisor, provide substantiation to support the request.
- B. If the death of a person as described above requires the employee to travel over four hundred (400) miles one-way from his/her home, additional time off with pay shall be granted for two (2) additional days which shall be deducted from accrued sick leave, or any existing leave credits. Should additional leave be necessary, the department head or designee may authorize the use of existing leave credits or authorized leave without pay.
- C. Employees may utilize all leave credits for additional time required in excess of the time allowed in A. or time required due to the death of other relatives not listed in A. above.

The employee shall provide medical substantiation to support her request for pregnancy leave. The request must include the beginning and ending dates of the leave and must be requested no later than thirty (30) calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.
- B. A male spouse or male parent or domestic partner (as defined in accordance with Family Code Section 297), who is a permanent employee, shall be entitled, upon request, to an unpaid leave of absence for a period not to exceed one (1) year to care for his/her newborn child. The request must include the beginning and ending dates of the leave and must be requested no later than thirty (30) calendar days after the birth of the child. Any changes to the leave, once approved, are permissive and subject to the approval of the department head or designee.
- C. If the request for parental leave is made more than thirty (30) calendar days after the birth of the child, a permissive unpaid leave of absence may be considered by the department head or designee.
- D. During the period of time an employee is on parental leave, he/she shall be allowed to continue their health, dental, and vision benefits. The cost of these benefits shall be paid by the employee and the rate that the employee will pay will be the group rate.

An unpaid leave of absence may be granted by the State pursuant to the unpaid leave of absence provisions in this Contract. A Union leave may also be granted during the term of this Contract at the discretion of the affected department head or designee in accordance with the following:
1. The Union leave shall normally be requested on a State approved form fourteen (14) calendar days prior to the date of the leave.
 2. The Union leave request form shall be signed by either the Civil Service Division Director or the Deputy Director and no other signature will be honored by the State.
 3. A Union leave shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
 4. The Union agrees to reimburse the affected department(s) for the full amount of the affected employee's salary, plus an additional amount equal to 35 percent (35%) of the affected employee's salary, for all the time the employee is off on a Union leave, within 60 days of billing. A leave, so granted, shall assure an employee the right to his/her former position upon termination of the leave. The term "former position" is defined in Government Code Section 18522.
- C. An unpaid leave of absence may be granted for, but not limited to, the following reasons:
 - 1. Union activity;

Such pay shall be in the amount of the difference between the employee's regular pay and any amount he/she receives for such appearance. In no case shall this amount exceed the employee's regular pay.

8.14 Jury Duty

- A. An employee shall be allowed such time off without loss of compensation as is required in connection with mandatory jury duty. Upon receiving notice of jury duty an employee shall immediately provide a copy of the notice to his/her supervisor.
- B. If payment is made for such time off, the employee is required to remit to the State jury fees received. If an employee elects to use accrued vacation leave or compensating time off while on jury duty, the employee is not required to remit jury fees. For the purposes of this section, "jury fees" means fees received for jury duty excluding payment for mileage, parking, meals, or other out-of-pocket expenses.

It is understood by both parties that the application of this cash-out provision may differ from department to department and from employee to employee. Departments shall consider an employee's request to retain leave credits for future use rather than have the leave cashed out. Upon termination from State employment, the employee shall be paid for unused Personal Leave credits in the same manner as vacation or annual leave. Cash-out or lump-sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available for the Personal Leave Program, departments will offer employees the opportunity to cash out accrued Personal Leave.
- C. If any dispute arises about this Personal Leave section, an employee may file a grievance and the decision reached at Step 3 (Department of Personnel Administration) of the grievance procedure shall be final and not subject to the arbitration clause of this Contract.
- D. Personal Leave credits shall not be counted towards the 1,734/1,934 hours of compensation for Special School employees subject to the State Special Schools 10-Month Compensation Agreement.

8.16 Family Medical Leave Act (FMLA)

- A. The State acknowledges its commitment to comply with the spirit and intent of the leave entitlement provided by the FMLA and the California Family Rights Act (CFRA) referred to collectively as "FMLA". The State and the Union recognize that on occasion it will be necessary for employees of the State to take job-protected leave for reasons consistent with the FMLA. As defined by the FMLA, reasons for an FMLA leave may include an employee's serious health condition, for the care of a child, spouse, domestic partner (as defined in Family Code Section 297), or parent who has a serious health condition, and/or for the birth or adoption of a child.

- B. For the purposes of providing the FMLA benefits the following definitions shall apply:
1. An eligible employee means an employee who meets the eligibility criteria set forth in the FMLA;
 2. An employee's child means any child, regardless of age, who is affected by a serious health condition as defined by the FMLA and is incapable of self care. "Care" as provided in this section applies to the individual with the covered health condition;
 3. An employee's parent means a parent or an individual standing in loco parentis as set forth in the FMLA;
 4. Leave may include paid sick leave, vacation, annual leave, personal leave, catastrophic leave, holiday credit, excess hours, and unpaid leave. In accordance with the FMLA, an employee shall not be required to use CTO credits, unless otherwise specified by Section 8.8 of this Contract.
 - a. FMLA absences due to illness and/or injury of the employee or eligible family member, may be covered with the employee's available sick leave credits and catastrophic leave donations. Catastrophic leave eligibility and sick leave credit usage for a FMLA leave will be administered in accordance with Sections 8.8 and 8.2 of this Contract.
 - b. Other leave may be substituted for the FMLA absence due to illness and/or injury, at the employee's discretion. An employee shall not be required to exhaust all paid leave, before choosing unpaid leave, unless otherwise required by Section 8.8 of this Contract.
 - c. FMLA absences for reasons other than illness and/or injury (i.e., adoption or care of an eligible family member), may be covered with leave credits, other than sick leave, including unpaid leave, at the employee's discretion. Except in accordance with Section 8.8 of this Contract, an employee shall not be required to exhaust all leave credits available before choosing unpaid leave to cover an FMLA absence.
- C. An eligible employee shall provide certification of the need for an FMLA leave. Additional certification may be requested if the department head or designee has reasonable cause to believe the employee's condition or eligibility for FMLA leave has changed. The reasons for the additional certification request shall be provided to the employee in writing.
- D. An eligible employee shall be entitled to a maximum of twelve (12) workweeks (480 hours) FMLA leave per calendar year and all other rights set forth in the FMLA. This entitlement shall be administered in concert with the other leave provisions in Article 8 of this Contract. Nothing in this Contract should be construed to allow the State to provide less than that provided by the FMLA.

- E. On January 1 of each year, FMLA leave shall be recorded in accordance with the calendar year. Each time an employee takes an FMLA leave, the remaining leave entitlement is any balance of the twelve (12) workweeks that has not been used during the current calendar year. Employees who have taken FMLA leave under the previous 12 month rolling period, shall be entitled to additional leave up to a total of 12 weeks for the current calendar year.
- F. An employee on FMLA leave has a right to be restored to his/her same or "equivalent" position (FMLA) or to a "comparable" position (CFRA) with equivalent pay, benefits, and other terms and conditions of employment.
- G. For the purposes of computing seniority, employees on paid FMLA leave will accrue seniority credit in accordance with the Department of Personnel Administration Rules 599.608 and 599.609.
- H. Any appeals regarding an FMLA decision should be directed to the department head or designee. FMLA is a Federal law and administered and enforced by the Department of Labor, Employment Standards Administration, Wage and Hour Division. The State's CFRA is a State law which is administered and enforced by the Department of Fair Employment and Housing. FMLA/CFRA does not supersede any Article of this Contract which provides greater family and medical leave rights. This section is not subject to grievance or arbitration.

8.17 Mentoring Leave

- A. Eligible employees may receive up to forty (40) hours of "mentoring leave" per calendar year to participate in mentoring activities once they have used an equal amount of their personal time for these activities. "Mentoring leave" is paid leave time which may only be used by an employee to mentor. This leave does not count as time worked for purposes of overtime. "Mentoring leave" may not be used for travel to and from the mentoring location.
- B. An employee must use an equal number of hours of his or her personal time (approved annual leave, vacation, personal leave, personal holiday, or CTO during the workday and/or personal time during non-working hours) prior to requesting "mentoring leave". For example, if an employee requests two (2) hours of "mentoring leave", he or she must have used two (2) verified hours of his or her personal time prior to receiving approval for the "mentoring leave". "Mentoring leave" does not have to be requested in the same week or month as the personal time was used. It does, however, have to be requested and used before the end of the calendar year.
- C. Prior to requesting mentoring leave and in accordance with departmental policy, an employee shall provide his or her supervisor with verification of personal time spent mentoring from the mentoring organization.
- D. Requests for approval of vacation, CTO, and/or annual leave for mentoring activities are subject to approval requirements in this Contract and in existing departmental policies. Requests for approval of mentoring leave are subject to operational needs of the State, budgetary limits, and any limitations imposed by law.

- E. In order to be eligible for "mentoring leave", an employee must:
 - 1. Have a permanent appointment;
 - 2. Have successfully completed their initial probationary period; and
 - 3. Have committed to mentor a child or youth through a mentoring organization that meets the quality assurance standards in accordance with the California Mentor Program Directory, under the guidance of the California Department of Alcohol and Drug Programs, for a minimum of one school year. (Most programs are aligned with the child's normal school year, however, there may be some that are less or more. Department management may make exceptions to the one school year commitment based on the mentor program that is selected.)
- F. An employee is not eligible to receive "mentoring leave" if:
 - 1. He or she is assigned to a "post" position in the Departments of Corrections or Youth Authority; or
 - 2. He or she works in a level of care position in the Departments of Developmental Services, Mental Health, Education or Veterans' Affairs.
- G. Permanent part-time and Permanent Intermittent employees may receive a pro-rated amount of mentoring leave based upon their time base. For example, a half time employee is eligible for twenty (20) hours of mentoring leave per calendar year, whereas an intermittent employee must work a qualifying monthly pay period (equivalent to 160 hours) to earn 3.3 hours of mentoring leave.
- H. Any appeals and/or disputes regarding this section shall be handled in accordance with the Complaint procedure specified in Article 6 of this Contract.

8.18 Work and Family Participation

A. Family Activity

Subject to operational needs and reasonable notice to the employer, employees shall be permitted to use accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or non-school family-related activities such as sports events, recitals, 4-H, etc., in which the employee's child is participating.

However, use of such leave shall not diminish an employee's entitlement under the Family School Partnership Act (Labor Code Section 230.8) to, upon reasonable notice to the employer, use up to eight (8) hours per month but not to exceed forty (40) hours per calendar year of accrued leave credits (vacation, annual leave, personal holiday, holiday credits, CTO) for the purpose of attending school or pre-school related activities in which the employee's child is participating.

Family is defined as the employee's son, daughter, or any child the employee stands in loco parentis (to the child).

Employee leave requests for family activities shall be in accordance with the appropriate departmental procedures.

B. Family Crisis

Subject to operational needs, and upon reasonable notice to the employee's immediate supervisor, employees shall be eligible to use accumulated leave credits for the purpose of dealing with family crisis situations (e.g., divorce counseling, family or parenting conflict management, family care urgent matters and/or emergencies). If the employee has exhausted available leave credits, the employee may request unpaid leave.

Family is defined as the parent, stepparent, spouse, domestic partner (as defined in accordance with Family Code Section 297), child, grandchild, grandparent, brother, sister, stepchild, or any person residing in the immediate household.

If eligible, any family crisis leave that meets the definition of serious health condition will run concurrently with Section 8.16 of this Contract, Family and Medical Leave Act.

The State shall consider requests from employees to adjust work hours or schedules or consider other flexible arrangements consistent with a department's operational needs and the provisions of this Contract.

Employee requests related to family crisis or domestic violence shall be in accordance with departmental procedures and, except in emergencies, shall be made with reasonable notice to the employee's immediate supervisor.

The State shall maintain the confidentiality of any employee requesting accommodation under this section, but may require substantiation to support the employee's request.

8.19.20 Annual Leave Program

- A. Employees may elect to enroll in the annual leave program to receive annual leave credit in lieu of vacation and sick leave credits. Employees enrolled in the annual leave program may elect to enroll in the vacation and sick leave program at any time except that once an employee elects to enroll in either the annual leave program or vacation and sick leave program, the employee may not elect to enroll in the other program until twenty four (24) months has elapsed from date of enrollment.
- B. Each full-time employee shall receive credit for annual leave in lieu of the vacation and sick leave credits of this agreement in accordance with the following schedule:

1 month to 3 years	11 hours per month
37 months to 10 years	14 hours per month
121 months to 15 years	16 hours per month
181 months to 20 years	17 hours per month
241 months and over	18 hours per month

Part-time and hourly employees shall accrue proportional annual leave credits, in accordance with the applicable DPA rules. Employees shall have the continued use of any sick leave accrued as of the effective date of this Agreement, in accordance with applicable laws, rules, or memorandum of understanding.

All provisions necessary for the administration of this Section shall be provided by DPA rule or memorandum of understanding.

- C. A full-time employee who has eleven (11) or more working days of service in a monthly pay period shall earn annual leave credits as set forth in DPA Rules 599.608 and 599.609.

Absences from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive days which fall into two (2) consecutive qualifying pay periods shall disqualify the second pay period.

- D. Employees who work in multiple positions may participate in annual leave, provided an election is made while employed in an eligible position subject to these provisions. Annual leave accrual for employees in multiple positions will be computed by combining all positions, as in vacation leave, provided the result does not exceed the amount earnable in full-time employment, and the rate of accrual shall be determined by the schedule which applies to the position or collective bargaining status under which the election was made.
- E. If an employee does not use all of the annual leave that the employee has accrued in a calendar year, the employee may carry over his/her accrued annual leave credits to the following calendar year to a maximum of six hundred forty (640) hours. A department head or designee may permit an employee to carry over more than six hundred forty (640) hours of accrued hours because the employee: (1) was required to work as a result of fire, flood, or other extensive emergency; (2) was assigned work of a priority or critical nature over an extended period of time; (3) was absent on full salary for compensable injury; (4) was prevented by department regulations from taking annual leave until December 31 because of sick leave; or (5) was on jury duty.
- F. Upon termination from State employment, the employee shall be paid for accrued annual leave credits for all accrued annual leave time.
- G. The time when annual leave shall be taken by the employee shall be determined by the department head or designee. If on January 1 of each year an employee's annual leave bank exceeds the cap in Subsection E., the department may order the employee to take annual leave.
- H. Annual leave request must be submitted in accordance with departmental policies on this subject. However, when two (2) or more employees on the same shift (if applicable) in a work unit (as defined by each department head or designee) request the same annual leave time and approval cannot be given to all employees requesting it, employees shall be granted their preferred annual leave period in order of State seniority.
- I. Each department head or designee will make every effort to act on annual leave requests in a timely manner.
- J. Annual leave that is used for purposes of sick leave is subject to the requirements set forth in section 8.2, Sick Leave, of this Agreement.

- K. The Enhanced Non-Industrial Disability Insurance (ENDI) in Section 8.18 applies only to those in the annual leave program described above in this Section.
- L. Employees who are currently subject to vacation and sick leave provisions may elect to enroll in the annual leave program at any time after twenty four (24) months has elapsed from date of last enrollment. The effective date of the election shall be the first day of the pay period in which the election is received by the appointing power. Once enrolled in annual leave, an employee shall become entitled to an enhanced NDI benefit (50 percent of gross salary).

8.20 Paid Time Off – Precinct Election Board

With prior approval of the employee's supervisor and under comparable conditions as provided for supervisors and managers in DPA Rule 599.930, an employee in Bargaining Units 1, 4, 11, 14, 15 and 20 may be granted time off for public service as a member of a Precinct Election Board. The employee shall be eligible for both regular State compensation and any fee paid by the Registrar of Voters for such service. Verification of service may be required.

8.21 Personal Leave Program

Effective the first pay period following the signing of this tentative agreement, the State shall implement a mandatory Personal Leave Program for all Units 1, 4, 11, 14, 15, and 20 employees. This program shall remain in effect for 12 months. Employees may voluntarily participate in the personal leave program on a continuing basis.

- A. Each full-time employee subject to paragraph B. shall be credited with eight (8) hours of Personal Leave on the first day of the following monthly pay period for each month in the Personal Leave Program.
- B. Salary ranges and rates shall be changed to reflect the July 1, 2003 general salary increase; however, each full-time employee shall continue to work his/her assigned work schedule and shall have a reduction in pay equal to 5%. In exchange 8 hours of leave will be credited to the employee's Personal Leave Program monthly.
- C. Personal leave shall be requested and used by the employee in the same manner as vacation or annual leave. Requests to use personal leave must be submitted in accordance with departmental policies on vacation and annual leave. Personal leave shall not be included in the calculation of vacation/annual leave balances pursuant to Article 8 (Leaves) and Sections 8.1 (Vacation Leave) and 8.19, (Annual Leave).

- D. At the discretion of the State, all or a portion of unused personal leave credits may be cashed out at the employee's salary rate at the time the personal leave payment is made. It is understood by both parties that the application of this cash out provision may differ from department to department and from employee to employee. Upon termination from State employment, the employee shall be paid for unused personal leave credits in the same manner as vacation or annual leave. Cash out or lump sum payment for any Personal Leave credits shall not be considered as "compensation" for purposes of retirement. If funds become available, as determined by the Department of Finance, for the Personal Leave Program, departments will offer employees the opportunity to cash out accrued personal leave. Upon retirement/separation, the cash value of the employee's personal leave balance may be transferred into a State of California, Department of Personnel Administration Deferred Compensation Program as permitted by federal and state law.
- E. An employee may not use any kind of paid leave such as sick leave, vacation, or holiday time to avoid a reduction in pay resulting from the Personal Leave Program.
- F. A State employee in the Personal Leave Program shall be entitled to the same level of State employer contributions for health, vision, dental, flex-elect cash option, and enhanced survivor's benefits he or she would have received had the Personal Leave Program not occurred.
- G. The Personal Leave Program shall not cause a break in State service, a reduction in the employee's accumulation of service credit for the purposes of seniority and retirement, leave accumulation, or a merit salary adjustment.
- H. The Personal Leave Program shall neither affect the employee's final compensation used in calculating State retirement benefits nor reduce the level of State death or disability benefits the employee would otherwise receive or be entitled to receive nor shall it affect the employee's ability to supplement those benefits with paid leave.
- I. Part-time employees shall be subject to the same conditions as stated above, on a prorated basis.
- J. The Personal Leave Program for intermittent employees shall be prorated based upon the number of hours worked in the monthly pay period.
- K. The Personal Leave Program shall be administered consistent with the existing payroll system and the policies and practices of the State Controller's Office.
- L. Employees on EIDL, NDI, IDL, or Worker's Compensation for the entire monthly pay period shall be excluded from the Personal Leave Program for that month.

8.22.20 Dependent Care Leave

A department head or designee may grant a permanent employee's request for an unpaid leave of absence for the purposes of providing personal medical care for the employee's ill or injured parent, spouse, stepparent, child, grandchild, grandparent, brother, sister, mother in law, father in law, daughter in law, son in law, brother in law, stepchild, adopted child, and anyone living in the employees household. The employee may be required to provide substantiation to support the employee's request for the unpaid leave.

The period of leave shall not exceed three (3) months. Extensions of an unpaid leave may be requested by the employee and may be granted by the department head or designee.

A dependent care leave may be terminated by the department head or designee prior to the expiration date with written notice at least thirty (30) work days prior to the effective date of the revocation.

During the period of time an employee is on dependent care leave, he/she shall be allowed to continue health, dental and vision benefits. The total cost of these benefits shall be paid by the employee and the rate that the employee will pay will be the group rate.

8.23.20 Department Developmental Services/LVN Vacation Scheduling

- A. On October 1 of each year, each unit/work location in the Department of Developmental Services shall post a vacation calendar in a prominent place readily available to Bargaining Unit 15 (Hospital Worker), 17 (Registered Nurse), 18 (Psychiatric Technicians) and 20 (Licensed Vocational Nurse) employees. For the a.m. and p.m. shifts, the calendar shall clearly indicate by unit/work location (as defined by the program management) and shift, the number of LOC employees that maybe on vacation on each day of the upcoming year. For the NOC shift, the calendar shall indicate by program, the number of employees that may be on vacation on each day of the upcoming year. The posted vacation time shall be sufficient to permit all employees on each shift to have a vacation sometime during the year. Non-Client residential programs are exempt from coverage but will be governed by terms and conditions provided under the expired Collective Bargaining Agreement.
- B. During the period of October 1 to October 31, all employees, without regard to Bargaining Unit classification or seniority, may sign up for no more than two vacation periods for the upcoming calendar year. Each vacation period shall be for consecutive days. The vacation periods combined shall not exceed thirty-two days of vacation days scheduled off during the vacation year, and any one vacation period shall not exceed twenty-four vacation days scheduled off. Each vacation period shall be separated by at least twenty-two days worked.
 1. Vacation requests shall not exceed the employee's accrued vacation time balance at the time(s) the vacation(s) is taken.
 2. No other accumulated/accrued time shall be authorized for the purpose of requesting vacation time off.
 3. During the above period, management will not intervene to resolve conflicts in the vacation requests.

- C. Beginning November 1 and ending the close of November 30, those employees with overlapping vacation requests that would result in exceeding the authorized vacation posting shall be notified. These employees will be given the opportunity to modify their vacation choices through discussion and compromise among the affected employees. Where these discussions do not result in compromise and agreement among the affected employees, the most senior employee's vacation request shall prevail if the employees are in the same bargaining unit. Conflicts between employees of different bargaining units shall be resolved by lot (coin toss). If an employee does not obtain his/her bid vacation, he/she will be provided the same duration of time off as bidden, as determined by management, or the employee may bid on the remaining unbid vacation time.
- D. On December 7, program management shall post the vacation calendar for the upcoming vacation year.
- E. Program management shall post an ad hoc calendar on a quarterly basis for the purpose of identifying potential time slots.

The calendar shall be posted on or about December 20 for the January/March quarter and by the 20th day of the last month of each quarter thereafter.

1. Program management shall maintain full and unabridged discretion to determine the time slot(s) subject to cancellation for operational needs.
 2. The ad hoc calendar shall be obtained on a first-come, first-served basis without regard to what type of employee time accrual is used to request the time slot(s) off.
- F. When an employee cancels a vacation period, the State shall make a reasonable effort to make all or part of the time available on the ad hoc calendar.
 - G. A reasonable effort shall be made to honor vacation time when an employee transfers to another position within the facility. If it cannot be honored, the employee will be guaranteed the equivalent time off at another time, as determined by management.
 - H. Nothing in this agreement shall prevent program management from granting additional time in excess of the ad hoc calendar.
 - I. If an ad hoc time slot is available, an employee who elects to use a personal holiday, it shall be granted if the request is made at least five (5) calendar days in advance.
 - J. The above vacation scheduling procedure supersedes the "DDS Vacation Scheduling" method and nullifies all other prior understandings over intent or application of vacation scheduling and ad hoc time off unless explicitly incorporated into this provision.

8.24.20 Continuing Education Leave

- A. Employees in classifications listed below will be entitled to educational leave to obtain continuing education units. The leave time can be taken at the employee's discretion subject to the operational need of the department and reasonable advance notice. In-service training courses for which Continuing Education Units (CEU) credit is provided may be counted at the State's option towards the hours of education leave. This leave is non-cumulative.

- A. Bargaining Unit 20 employees that are scheduled to work a 10-month school year:
1. May be scheduled and use vacation leave during their initial six (6) months of employment. This is an exception to the Bargaining Unit 20 Contract Vacation Leave provision.
 2. Shall receive seventy (70) hours of vacation leave credit which will be credited to their vacation leave credit account upon commencement of the school year. This vacation leave credit shall be used to offset noncompensable absences during school recess periods. In addition, the Special Schools may allow employees to utilize these vacation leave credits during scheduled work periods.
 3. Sections B.1. and 2. shall apply to permanent, part-time employees on a pro rata basis.

4. The seventy (70) hours of vacation leave credit (and prorated amount for permanent, part-time employees) is contingent upon an employee's continued employment for a minimum ten (10) qualifying pay periods beginning with the employee's first qualifying pay period of the school year. If an employee terminates employment prior to this ten (10) qualifying pay period duration and the Special School is unable to adjust the employee's vacation and/or CTO credit balances in order to reflect the proper vacation leave credit balance, the employee shall reimburse the Special School for the amount that is outstanding.
- B. The Special Schools shall provide eligibility for medical and dental benefits during the months of July and August by scheduling a minimum two (2) days work, training, vacation or CTO in July and a minimum two (2) days of work, training, vacation or CTO in August.

For each employee with enrolled family members, the employer shall contribute an additional 80 percent of the weighted average of the additional premiums required for enrollment of those family members, during the benefit year to which the formula is applied, in the four Basic health benefit plans that had the largest State active civil service enrollment, excluding family members, during the previous year. To be eligible for this contribution, an employee must positively enroll in a health plan administered or approved by CalPERS.

 - a. The State shall pay up to \$30.70 per month for coverage of an eligible employee.
 - b. The State shall pay up to \$55.60 per month for coverage of an eligible employee plus one dependent.
 - c. The State shall pay up to \$81.38 per month for coverage of an eligible employee plus two or more dependents.
2. The employee will pay any premium amount for the dental plan in excess of the State's contribution, except that the employee's share of the cost shall not exceed 25 percent (25%) of the total premium.

B. Employee Eligibility

Employee eligibility for dental benefits is the same as that prescribed for health benefits under Section 9.1 of this Contract.

C. Family Member Eligibility

However, if no alternative plan or prepaid plan is available within a 50-mile radius of the employee's residence, the employee will be allowed to enroll in the indemnity or preferred provider option plan.

9.3 Vision Benefit Plan

C. Family Member Eligibility

Family member eligibility for vision benefits is the same as that prescribed for health benefits under Section 9.1 of this Contract.

9.4 Rural Health Care Equity Program

Effective July 1, 2001, the State shall continue a Rural Health Care Equity Program for Bargaining Unit 1, 4, 11, 14, 15 and 20 members, which may be administered in conjunction with a similar program for State employees in other bargaining units, for excluded employees, and for annuitants. The Department of Personnel Administration shall administer any fund involving Bargaining Unit 1, 4, 11, 14, 15 and 20 members.

1. The program shall operate in the following fashion:
 - a. The State shall contribute \$1500 per year on behalf of each bargaining unit member (employee) who lives in a defined rural area, as more definitely described in Government Code Section 22825.01.
 - (1) For Bargaining Unit 1, 4, 11, 14, 15 and 20 members payments shall be on a monthly basis.
 - (2) For permanent employees, as in the "Medical Reimbursement Account" situation, the employee does not have to wait for reimbursement of covered medical expenses until the full amount has been deposited.
 - b. As to any employee who enters State service or leaves State service during a fiscal year, contributions for such employee shall be made on a pro rata basis. A similar computation shall be used for anyone entering or leaving the bargaining unit (e.g., promotion in mid-fiscal year).
 - c. The money shall be available for use as defined in Government Code Section (GC) 22825.01.
 - d. A Rural Healthcare Equity Program will be established with a separate account for Bargaining Unit 1, 4, 11, 14, 15 and 20 members, as one of several similar accounts.

- e. Each Unit 1, 4, 11, 14, 15 and 20 employee shall be able to utilize up to \$1500 per fiscal year, pursuant to GC section 22825.01, but with the exceptions for greater utilization hereafter noted. The pro rata limitation pursuant to paragraph 1(b) is applicable here.
- f. If an employee does not utilize the complete \$1500 pursuant to the procedures and limitations described in GC section 22825.01, then the unused monies shall be put in a “same year pool”. That same year pool shall be utilized to pay those who have incurred eligible health care expenses in excess of the \$1500, but again according to the procedures and limitations in the statute. The monies in the same year pool would be distributed at the end, or even soon after, each fiscal year to that group of employees who had expenses in excess of \$1500 in the relevant fiscal year. Those monies shall be distributed on a pro tanto (pro rata) basis.
 - (1) Any employee not in Bargaining Unit 1, 4, 11, 14, 15 and 20 all year shall receive credit under this paragraph utilizing the same pro rata formula as in paragraph 1(b). above.
 - (2) If an employee is entitled to less than \$25 under this paragraph, the money shall instead go into next year’s fund pursuant to paragraph g hereafter.
- g. If monies still remain after a distribution to such employees (i.e., all employees who spent more than \$1500 as provided in GC section 22825.01 were completely reimbursed), then those surplus monies shall be rolled over into the next fiscal year’s funds available for distribution to employees whose expenses pursuant to the statute exceed \$1500 in such subsequent year. Similar “rollovers” would occur in any years where all employees were completely reimbursed (or had payments made on their behalf) pursuant to GC 22825.01 and monies still remained in the pool.

9.5 Employee Assistance Program

- A. The State recognizes that alcohol, nicotine, drug abuse, and stress may adversely affect job performance and are treatable conditions. As a means of correcting job performance problems, the State may offer referral to treatment for alcohol, nicotine, drug, and stress-related problems such as marital, domestic partner, family, emotional, financial, medical, legal, gender transition or other personal problems. The intent of this section is to assist an employee's voluntary efforts to treat alcoholism, nicotine use, or a drug-related or a stress-related problem.

- B. Each department head or designee shall designate an Employee Assistance Program Coordinator who shall arrange for programs to implement this section. Employees who are referred to an Employee Assistance Program Coordinator will be referred by the appropriate management personnel. An employee using the Employee Assistance Program, upon approval, may use accrued sick leave credits, CTO, vacation, and holiday credits for such a purpose. Leaves of absence without pay may be granted by the department head or designee upon the recommendation of the Employee Assistance Program Coordinator if all sick leave, holiday credits, vacation, and compensating time off have been exhausted, and the employee is not eligible to use Industrial Disability Leave or Non-Industrial Disability Insurance. For periods of disability commencing on or after October 1, 1984, eligible employees shall receive NDI payments at 60 percent (60%) of their full pay, not to exceed \$135 per week, payable monthly for a period not exceeding twenty-six (26) weeks for any one disability benefit period. An employee is not eligible for a second disability benefit due to the same or related cause or condition unless they have returned to their regular time base, and work for at least ten (10) consecutive workdays. Paid leave shall not be used to cover the ten (10) workdays.
- C. The employee shall serve a ten (10) consecutive calendar day waiting period before NDI payments commence for each disability. Accrued vacation or sick leave balances may be used to cover this waiting period. The waiting period may be waived when the employee is a registered bed patient in a hospital or nursing home, or receives treatment in a hospital or surgical unit or licensed surgical clinic. Procedure rooms and doctor's offices are not included.
- D. If the employee elects to use vacation, annual leave, personal leave, or sick leave credits prior to receiving NDI payments, he/she is not required to exhaust the accrued leave balance.

- H. Where employment is intermittent or irregular, the payments shall be determined on the basis of the proportionate part of a monthly rate established by the total hours actually employed in the eighteen (18) monthly pay periods immediately preceding the pay period in which the disability begins as compared to the regular rate for a full-time employee in the same group or class. An employee will be eligible for NDI payments on the first day of the monthly pay period following completion of 960 hours of compensated work.
- I. All other applicable Department of Personnel Administration laws and regulations not superseded by these provisions will remain in effect.
- J. Upon approval of NDI benefits, the State may issue an employee a salary advance if the employee so requests.
- K. All appeals of a denial of an employee's NDI benefits shall only follow the procedures in the Unemployment Insurance Code and Title 22. For the purposes of this section, "net salary" is defined as the amount of salary received after Federal income tax, State income tax, and the employee's retirement contribution have been deducted from the employee's gross salary. The EIDL benefit will continue to be subject to miscellaneous payroll deductions.
- D. EIDL will apply only to serious physical injuries and any complications directly related medically and attributable to the assault, as determined by the department director or designee. This benefit shall not be applied to either presumptive, stress-related disabilities, or physical disability having mental origin.

Refusing to participate will result in immediate suspension of the IDL benefit.
- G. All appeals of an employee's denial of IDL benefits shall only follow the procedures in the Government Code and Title 2. - 1. Regular State Business Travel

- a. Statewide, in all locations not listed in c. below, for receipted lodging while on travel status to conduct State business:

With a lodging receipt: Actual lodging up to \$84 plus applicable taxes.

- b. When employees are required to do business and obtain lodging in the counties of Alameda, San Francisco, San Mateo and Santa Clara, reimbursement will be for actual receipted lodging to a maximum of \$140 plus applicable taxes. When employees are required to do business and obtain lodging in the counties of Los Angeles and San Diego, actual lodging up to \$110 plus applicable taxes.

- 2. State Sponsored Conferences or Conventions

For receipted lodging while attending State Sponsored conferences and conventions, when the lodging is contracted by the State sponsor for the event, and the appointing authority has granted prior approval for attendance and lodging at the contracted rate and establishment: Actual lodging up to \$110 plus applicable taxes.

3. Non-State Sponsored Conferences or Conventions

For receipted lodging while attending non-State sponsored conferences and conventions, when the lodging is contracted by the sponsor for the event, and the appointing authority has granted prior approval for attendance and lodging at the contracted rate and establishment: Actual lodging when approved in advance by the appointing authority.

Reimbursement of lodging expenses in excess of specified amounts, excluding taxes requires advance written approval from the Department of Personnel Administration. The Department of Personnel Administration may delegate approval authority to departmental appointing powers or increase the lodging maximum rate for the geographical area and period of time deemed necessary to meet the needs of the State. An employee may not claim lodging, meal, or incidental expenses within 50 miles of his/her home or headquarters.

C. Long-term Travel: Actual expenses for long term meals and receipted lodging will be reimbursed when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

1. Full Long-term Travel - In order to qualify for full long-term travel reimbursement, the employee on long-term field assignment must meet the following criteria:

- The employee continues to maintain a permanent residence at the primary headquarters, and
- The permanent residence is occupied by the employee's dependents, or
- The permanent residence is maintained at a net expense to the employee exceeding \$200 per month.

The employee on full long-term travel who is living at the long-term location may claim either:

- Reimbursement for actual individual expense, substantiated by receipts, for lodging, water, sewer, gas and electricity, up to a maximum of \$1,130 per calendar month while on the long-term assignment, and actual expenses up to \$10 for meals and incidentals, for each period of twelve (12) to twenty-four (24) hours and up to \$5 for actual meals and incidentals for each period of less than twelve (12) hours at the long-term location, or
- Long-term subsistence rates of \$24 for actual meals and incidentals and \$24 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours; either \$24 for actual meals or \$24 for receipted lodging for travel less than twelve (12) hours when the employee incurs expenses in one location comparable to those arising from the use of establishments catering to the long-term visitor.

2. An employee on long-term field assignment who does not maintain a separate residence in the headquarters area may claim long-term subsistence rates of up to \$12 for actual meals and incidentals and \$12 for receipted lodging for travel of twelve (12) hours up to twenty-four (24) hours at the long-term location; either \$12 for actual meals or \$12 for receipted lodging for travel less than twelve (12) hours at the long-term location.
3. Employees, with supervisor's approval, after completing the work shift remain at the job or LTA location past the Friday twelve (12)-hour clock will receive full per diem for Friday. Those staying overnight shall not receive any additional per diem regardless of the Saturday departure time. An employee returning to the temporary residence on Sunday will receive full per diem. This does not change Department of Personnel Administration policy regarding the per diem clock which starts at the beginning of the work shift on Monday. If the normal workweek is other than as stated above, the same principle applies.

The following clarifies Department of Personnel Administration policy regarding an employee leaving the LTA location on personal business:

The reference to leaving the LTA location for personal business and not claiming per diem or transportation expenses assumes that the employee stays overnight at a location other than the long-term accommodations.

- D. Out-of-State Travel: For short-term out-of-State travel, State employees will be reimbursed actual lodging, supported by a receipt, and will be reimbursed for actual meal and incidental expenses in accordance with above. Failure to furnish lodging receipts will limit reimbursement to the meal/incidental rate above. Long-term out-of-State travel will be reimbursed in accordance with the provisions of long-term travel above.
- E. Out of Country Travel: For short-term out of country travel, State employees will be reimbursed actual lodging, substantiated by a receipt, and will be reimbursed actual meals and incidentals up to the maximums published in column (B) of the Maximum Travel per Diem Allowances for Foreign Areas, Section 925, U.S. Department of State Standardized Regulations and the meal/incidental breakdown in Federal Travel Regulation Chapter 301, Travel Allowances, Appendix B. Long-term out of country travel will be reimbursed in accordance with the provisions of long-term travel above, or as determined by the Department of Personnel Administration.

Subsistence shall be paid in accordance with procedures prescribed by the Department of Personnel Administration. It is the responsibility of the individual employee to maintain receipts for their actual meal expenses.

- F. Transportation: Transportation expenses include, but are not limited to, airplane, train, bus, taxi fares, rental cars, parking, mileage reimbursement, and tolls that are reasonably and necessarily incurred as a result of conducting State business. Each State agency shall determine the necessity for travel, and the mode of travel to be reimbursed.

1. Mileage Reimbursement
 - a. When an employee is authorized by his/her appointing authority or designee to operate a privately owned vehicle on State business the employee will be allowed to claim and be reimbursed 34 cents per mile.
 - b. When an employee is required to report to an alternative work location, the employee may be reimbursed for the number of miles driven in excess of his/her normal commute.
 2. Specialized Vehicles – Employees who must operate a motor vehicle on official State business and who, because of a physical disability, may operate only specially equipped or modified vehicles may claim from 34 cents up to 37 cents per mile, with certification. Supervisors who approve claims pursuant to this subsection have the responsibility of determining the need for the use of such vehicles.
 3. Private Aircraft Mileage – When an employee is authorized by his/her department, reimbursement for the use of the employee's privately owned aircraft on State business shall be made at the rate of 50 cents per statute mile. Pilot qualifications and insurance requirements will be maintained in accordance with the Department of Personnel Administration Rule 599.628.1 and the State Office of Risk and Insurance Management.
 4. Mileage to/From a Common Carrier – When the employee's use of a privately owned vehicle is authorized for travel to or from a common carrier terminal, and the employee's vehicle is not parked at the terminal during the period of absence, the employee may claim double the number of miles between the terminal and the employee's headquarters or residence, whichever is less, while the employee occupies the vehicle. Exception to "whichever is less". If the employee begins travel one (1) hour or more before he normally leaves his home, or on a regularly scheduled day off, mileage may be computed from his/her residence.
- G. Receipts: Receipts or vouchers shall be submitted for every item of expense of \$25 or more. In addition, receipts are required for every item of transportation and business expense incurred as a result of conducting State business except for actual expenses as follows:
1. Railroad and bus fares of less than \$25 when travel is wholly within the State of California.
 2. Street car, ferry fares, bridge and road tolls, local rapid transit system, taxi, shuttle or hotel bus fares, and parking fees of \$10 or less for each continuous period of parking or each separate transportation expense noted in this item.
 3. Telephone, telegraph, tax, or other business charges related to State business of \$5 or less.
 4. In the absence of a receipt, reimbursement will be limited to the non-receipted amount above.

5. Reimbursement will be claimed only for the actual and necessary expenses noted above. Regardless of the above exceptions, the approving officer may require additional certification and/or explanation in order to determine that an expense was actually and reasonably incurred. In the absence of a satisfactory explanation, the expense shall not be allowed.

12.2 Moving and Relocation Expenses

Whenever an employee is reasonably required by the State to change his/her place of residence, the State shall reimburse the employee for approved items in accordance with the lodging, meal, and incidental rates and time frames established in Section 12.1, and in accordance with existing requirements, time frames and administrative rules and regulations for reimbursement of relocation expenses that apply to excluded employees.

12.3 Parking Rates

- A. For the term of this Contract, the parties agree that the State may increase parking rates in existing owned or leased lots, in urban congested areas, no more than \$20 per month above the current rate, charged to employees in specific locations where they park. Congested urban areas are areas such as Sacramento, San Francisco Bay, Fresno, Los Angeles, San Bernardino, Riverside, and San Diego areas. Every effort shall be made to provide employees sixty (60) days but no less than thirty (30) days notice of a parking rate increase. The State shall not increase rates for existing parking lots where employees do not currently pay parking fees. Rates at new lots administered or leased by the State will be set at a level comparable to rates charged for similar lots in the area of the new lot, e.g., rates for open lots shall be compared to rates for open lots, rates for covered parking shall be compared to rates for covered parking.
- B. The State shall continue a system for employees where parking fees may be paid with pretax dollars.

12.4 Commute Program

- A. Employees working in areas served by mass transit, including rail, bus, or other commercial transportation licensed for public conveyance shall be eligible for a 75 percent (75%) discount on public transit passes sold by State agencies up to a maximum of \$65 per month. Employees who purchase public transit passes on their own shall be eligible for a 75 percent (75%) reimbursement up to a maximum of \$65 per month. This shall not be considered compensation for purpose of retirement contributions. The State may establish and implement procedures and eligibility criteria for the administration of this benefit including required receipts and certification of expenses.

- B. Employees riding in vanpools shall be eligible for a 75 percent (75%) reimbursement of the monthly fee up to a maximum of \$65 per month. In lieu of the vanpool rider reimbursement, the State shall provide \$100 per month to each State employee who is the primary vanpool driver, meets the eligibility criteria, and complies with program procedures as developed by the State for primary vanpool drivers. This shall not be considered compensation for purposes of retirement. A vanpool is defined as a group of seven or more people who commute together in a vehicle (State or non-State) specifically designed to carry an appropriate number of passengers. The State may establish and implement procedures and eligibility criteria for the administration of this benefit.
- C. Employees headquartered out of State shall receive reimbursement for qualified public transportation and vanpool expenses for 75 percent (75%) of the cost up to a maximum of \$65 per month or in the case of the primary vanpool driver, the \$100 per month rate. The appointing power may establish and implement procedures regarding the certification of expenses.

12.5 Transportation Incentives

- A. The State and Union agree that the State shall encourage employees to use alternate means of transportation to commute to and from work in order to reduce traffic congestion and improve air quality.
- B. Notwithstanding any other provision of this Contract, the Union agrees that the State may implement new policies or change existing ones in areas such as transit subsidies, vanpool/carpool incentives, walking/biking incentives, parking, parking fees, hours of work, and other actions to meet the goals of transportation incentives. The State agrees to notice and meet and confer regarding the impact of such new or changed policies.
- C. The State shall entertain recommendations from the Union and meet if requested on ways to encourage the use of alternative forms of transportation.

12.6 State Owned Housing

A. Housing

Annually, current rental rates for all types of State-owned employee housing, including trailers and/or trailer pads, may be increased by the State as follows:

1. Where employees are currently paying rent, the State may raise such rates up to 25 percent (25%) each year.
2. During the term of this Contract, where no rent is being charged, the State may raise rents up to \$75 per month, or when an employee vacates State-owned housing, including trailers and/or trailer pads, the State may raise rents for such housing up to the Fair Market value.
3. Employee rental of State-owned housing shall not ordinarily be a condition of employment. In any instance after July 1, 1989 and annually thereafter, where rental of State housing is made a condition of employment, the State may charge the employee ten percent (10%) less than the regular rate of rent.

4. Employees renting State-owned housing occupy them at the discretion of the State employer. If the State decides to vacate a State-owned housing unit currently occupied by a State employee, it shall give the employee a minimum of thirty (30) days advance notice.

B. Utilities

Annually, current utility charges for all types of State-owned employee housing, including trailers and/or trailer pads, may be increased by the State as follows:

1. Where employees are currently paying utility rates to the State, the State may raise such rates up to eight percent (8%) each year.
2. Where no utilities are being charged, the State may impose such charges consistent with its costs.
3. Where utilities are individually metered to State-owned housing units, the employee shall assume all responsibility for payment of such utility rates, and any increases imposed by the utility company.

C. Notwithstanding any of the above, the Department of Fish and Game will meet and confer with Union representatives prior to the implementation of rental increases. The department will meet and confer over any amount of necessary increases, the implementation dates, and the necessity for the increase.

D. The Department of Fish and Game is committed to improving the quality of State-owned housing under its jurisdiction. To that end, the department will seek funding authority for maintenance and improvement of department-owned housing.

This subsection is not subject to the provisions of Article 6 of this Contract.

E. Possessory Interest Taxes – Department of Fish and Game (Unit 11)

1. Reimbursement for Possessory Interest Taxes

The Department of Fish and Game will reimburse Unit 11 employees who occupy department-owned housing for their payment of possessory interest taxes, where assessed. Employees shall follow department procedures for filing claims for reimbursement. The department will not be responsible for any late charges or assessments incurred by the employees due to delinquent payment of the possessory interest taxes.

2. Working Condition Fringe Benefit Exception

- (a) This subsection E(2) shall apply to employees whose residency in State-owned housing satisfies the criteria for the working condition fringe benefit exception found in tax laws.

- (b) Possessory interest reimbursement provided by the Department of Fish and Game shall not be reported to the State Controller's Office as income subject to taxation and other withholdings when an employee completes required forms and submits them to the Department Fish and Game by the date management specifies. The Department of Fish and Game shall not be responsible for erroneous reporting of reimbursements as income if the employee fails to utilize the required form and/or procedures developed by the department for this purpose.
- (c) Employees who had possessory interest reimbursements reported as income during calendar year 2000 shall upon request be reimbursed for the amount they lost because the working condition fringe benefit exception was not applied. Employee requests for reimbursement shall be made on a form provided by the Department of Fish and Game. Employee requests must be submitted to the Department of Fish and Game no later than June 30, 2002.
- (d) The decision about which employees qualify for the working condition fringe benefit exception shall not be subject to the grievance and arbitration provisions of this Contract.

12.7 Overtime Meal Benefits and Allowances - CDC and CYA

- A. Overtime meal allowances will be granted when an employee is required to work at least two (2) hours contiguous to his/her regular work shift of at least eight (8) hours. An employee who works an alternate work schedule with a shift in excess of eight (8) hours shall only be eligible for an overtime meal allowance when required to work two (2) hours contiguous to such a work shift. If the employee is required to work for more extended periods of time, he/she may be allowed an additional meal allowance for each additional six (6) hour period of assigned work. No more than three (3) overtime meal allowances will be claimed during any twenty-four (24) hour period. If the cafeteria is closed then reimbursements shall be made pursuant to D.2. below.
- B. Employees who meet the above criteria shall be provided an overtime meal ticket (local form) on the day it is earned. The date and time of issue will be recorded on the ticket.
- C. Employees who are on travel status, and are being reimbursed under the business and travel portion of this contract, will not receive a meal at State expense nor be reimbursed for an overtime meal under the provisions of this section.
- D. The value of the meal ticket at the institution snack bar or employee dining room shall be established by management. The value will be sufficient to purchase a complete hot meal. If used to purchase a meal, the meal will constitute full and complete reimbursement.

The employee may use the meal ticket as provided in 1. and 2. below:

- 1. If the employee chooses to use the assigned meal ticket at the employees' snack bar or dining room, the employee must use it within a 90-day period of the time recorded on the meal ticket. If used to purchase a meal, the meal itself will constitute full and complete reimbursement. If the employee does not purchase a meal, he/she may follow the procedure as outlined in 2. below;

2. Employees requesting reimbursement under this option will receive \$6, regardless of the value assigned to the meal ticket by local management.
 3. Employees in assignments which do not allow the State to provide a meal ticket shall be provided alternative methods, determined by the State, to receive the \$6 reimbursement for overtime meal allowances earned.

In accordance with established procedures, when requested by an employee, a department may pay the cost of replacing or repairing eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried when damaged in the line of duty without fault of the employee. If the eyeglasses, hearing aids, dentures, watches, or clothes are damaged beyond repair, the department may pay the actual value of such eyeglasses, hearing aids, dentures, watches, or clothing. The value of such eyeglasses, hearing aids, dentures, watches, or clothing shall be determined as of the time of the damage hereto.

12.10 Uniform Replacement Allowance

- A. When the State requires a uniform to be worn as a condition of employment and does not provide such a uniform, the State shall authorize a uniform replacement allowance based on actual costs substantiated with a receipt for an amount not to exceed \$450 per year.
 1. Uniform means outer garments, which are required to be worn exclusively while carrying out the duties and responsibilities of the position and which are different from the design or fashion of the general population. This definition includes items that serve to identify the person, agency, function performed, rank, or time in service.

2. In those cases where the State provides the uniform to be worn, the uniform items provided pursuant to this section are State-owned or leased property which will be maintained as the State deems necessary. Employees issued State-provided uniform items shall be responsible for loss of or damage to the uniform items other than that incurred as the result of normal wear or through no fault of the employee.
 3. In those cases where the State does not provide the uniform to be worn, employees shall be responsible for the purchase of the required uniform as a condition of employment. After an employee has the equivalent of one (1) full year in a permanent position, which requires a uniform, he/she must submit a request in accordance with existing departmental practice in order to receive a uniform replacement allowance.
 4. Employees shall wear their required uniforms only in an official capacity except that employees may wear such uniforms on the grounds of their facility and to and from their work location including associated incidental travel.
 5. The Uniform Replacement Allowance shall not be considered compensation for retirement purposes.
- B. Single Source Vendor
1. During the life of this Contract, departments may establish a single source vendor system to replace the current uniform replacement allowance program. If a single source vendor system is established, employees shall use the system to obtain department authorization uniform replacement items. Departments that participate in a single source vendor system may establish an anniversary date for the uniform replacement credit with the vendor. Employees will receive their credit on that date based on the number of qualifying pay periods in the uniformed classification and in accordance with existing State laws, rules, and regulations.
 2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. Such employees will be eligible for a prorated uniform replacement credit on the established anniversary date, and a uniform replacement credit on each subsequent anniversary date.

12.11 Tools, Business Equipment, Materials and Supplies

- A. The State shall determine what special items of tools, equipment, materials, and supplies are necessary for employees to perform their jobs. Such items shall, within budgetary constraints, be made available by the State.
- B. Employees issued State-provided items shall be held responsible for loss of and/or damage due to negligence.

12.12 Professional Dues

In recognition of the professional nature of employees, each department, commission, board, or agency may reimburse an employee for up to \$50 per year for membership dues in job-related professional societies or associations of the employee's choice, or for a job-related professional license fee. Both parties agree and understand that a different amount of reimbursement, if any, may be provided to employees in the same or similar situation.

Permanent part-time and permanent intermittent employees shall be reimbursed for fifty percent (50%) of the cost of such fees.

 1. Uniform means outer garments, including shoes, which are required to be worn exclusively while carrying out the duties and responsibilities of the position and which are different from the design or fashion of the general population. This definition includes items that serve to identify the person, agency, function performed, rank, or time in service.
 2. In those cases where the State provides the uniform to be worn, the uniform items provided pursuant to the section are State-owned or leased property which will be maintained as the State deems necessary. Employees issued State-provided uniform items shall be responsible for loss of or damage to the uniform items other than that incurred as the result of normal wear or through no fault of the employee.
 3. In those cases where the State does not provide the uniform to be worn, employees shall be responsible for the purchase of the required uniform as a condition of employment. After an employee has the equivalent of one (1) full year in a permanent position, which requires a uniform, he/she must submit a request in accordance with existing departmental practice in order to receive a uniform replacement allowance.

4. Employees shall wear their required uniforms only in an official capacity except that employees may wear such uniforms on the grounds of their facility and to and from their work location including associated incidental travel.
 5. The uniform replacement allowance shall not be considered compensation for retirement purposes.
- B. Single Source Vendor
1. During the life of this Contract, departments may establish a single source vendor system to replace the current uniform replacement allowance program. If a single source vendor system is established, employees shall use the system to obtain department authorization uniform replacement items. Departments that participate in a single source vendor system may establish an anniversary date for the uniform replacement credit with the vendor. Employees will receive their credit on that date based on the number of qualifying pay periods in the uniformed classification and in accordance with existing State laws, rules, and regulations.
 2. Employees newly appointed (new hire to State service, promotion, transfer, or demotion from a non-uniformed classification) shall be required to purchase the uniform as a condition of employment and such purchase shall be through the single source vendor. Such employees will be eligible for a prorated uniform replacement credit on the established anniversary date, and a uniform replacement credit on each subsequent anniversary date.

12.15.20 State Special Schools Field Trip Expenses

The Department of Education shall reimburse employees, who are authorized to accompany students on field trips, for work related expenses. If an employee requests at least ten (10) working days in advance or upon notification, if less than ten (10) days of the field trip, the State shall provide a cash advance to cover the expected cost of expenses incurred for those special events. The employee shall be responsible to submit his/her work-related expenses for verification in a timely manner.

12.16.20 Laboratory Service and Deliveries

Where the State requires a Unit 20 employee to pick up and/or deliver material further than a reasonable walking distance from the labs to which they are assigned, the State will: (1) provide a mode of transportation; or (2) provide mileage reimbursement in accordance with Article 12, Section 12.1 (Business and Travel Expenses) of this Contract.

ARTICLE 13 – CAREER DEVELOPMENT

13.1 Personnel and Evaluation Materials

There will be only one official personnel file and normally one supervisory work file regarding each employee and these files will be maintained as follows:

- A. An employee's official departmental personnel file shall be maintained at a location identified by each department head or designee. Upon request, the State shall identify any supervisory files kept on the employee and shall identify the location of each file.
- B. Information in an employee's official departmental personnel file and supervisory work file shall be confidential and available for inspection only to the employee's department head or designee in conjunction with the proper administration of the department's affairs and the supervision of the employee; except, however, that information in an employee's official departmental personnel file and supervisory work file may be released pursuant to court order or subpoena. An affected employee will be notified of the existence of such a court order or subpoena.
- C. Evaluation material or material relating to an employee's conduct, attitude, or service shall not be included in his/her official personnel file without being signed and dated by the author of such material. Before the material is placed in the employee's file, the department head or designee, shall provide the affected employee an opportunity to review the material, and sign and date it. A copy of the evaluation material relating to an employee's conduct shall be given to the employee.
- D. An employee or his/her authorized representative may review his/her official personnel file during regular office hours. Where the official personnel file is in a location remote from the employee's work location, arrangements shall be made to accommodate the employee or his/her authorized representative at the employee's work location. Upon request, the employee shall be allowed a copy of the material in his/her personnel file.
- E. The employee shall have a right to insert in his/her file reasonable supplementary material and a written response to any items in the file. Such response shall remain attached to the material it supplements for as long as the material remains in the file.
- F. Any performance evaluation conducted of an employee who is a participant in the Union/State Collective Bargaining negotiations shall recognize the employee's frequent absence from his/her State job and the impact of such absences on the employee's performance. This is not intended to abrogate the right of the State to take disciplinary action against any employee who happens to be involved in such representational activities.
- G. Material relating to an employee's performance included in the employee's departmental personnel file shall be retained for a period of time specified by each department, except that at the request of the employee, materials of a negative nature may either be purged after one year or at the time such material is used in a written performance evaluation. This provision, however, does not apply to formal adverse actions except as defined in applicable Government Code Sections. By mutual agreement between a department head or designee and an employee, adverse action material may be removed. When an employee receives written documentation of a negative nature, the supervisor shall note in writing on the documentation the time frame it will remain in the file.

- H. Supervisors may keep working supervisory files on the performance and conduct of employees to provide documentation for matters such as, but not limited to, probation reports, performance appraisals, training needs, MSA reviews, bonus programs, adverse actions, employee development appraisals, or examination evaluations. An employee and/or his/her authorized representative may, upon request, review the contents of his/her file with his/her supervisor. Upon request, the employee shall be allowed a copy of the material in his/her supervisory file.

13.2 Personal Performance Session

Meetings between employees and management concerning unsatisfactory work performance or work-related problems should, whenever practicable, be held in private or in a location sufficiently removed from the hearing and visual range of other persons. The Union recognizes that the circumstances of the situation may require an immediate response from management, and thereby preclude privacy. However, if an immediate response is not necessary, arrangements will be made for a private meeting.

13.3 Joint Apprenticeship Committee

- A. It is the policy of the State employer and Union to support the establishment of apprenticeship programs in Units 1, 4, 11, 14, 15 and 20 where such programs are deemed appropriate. The Union and the State agree that such apprenticeship programs shall be administered in accordance with the Shelley - Maloney Apprentice Labor Standards Act of 1939 (Labor Code Section 3070, et seq.) and pursuant to the following provisions:
 - 1. The classification of positions and the selection process shall be governed by the SPB. The State retains the right to hire.
 - 2. A Joint Apprenticeship Committee shall evaluate and discipline any employee participating in an apprenticeship program under the scope of civil service rules and regulations.
 - 3. Apprenticeship programs shall operate under the Joint Apprenticeship Committee concept, i.e., each committee shall contain an equal number of representatives selected by the Union and by the State in addition to an Apprenticeship Consultant of the Department of Industrial Relations, Division of Apprenticeship Standards.
 - 4. Each Joint Apprenticeship Committee shall determine the training program for the classes included for their program.
 - 5. Union representatives who have been selected as Joint Apprenticeship Committee members shall serve with no loss of compensation during Committee meetings.
- B. The State agrees to continue existing apprenticeship programs.

Such performance appraisals may be completed at least once each twelve (12) calendar months after an employee completes the probationary period for the class in which he/she is serving. In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.

With prior and express authorization by the department designee, the State may reimburse Unit 20 employees for up to one hundred percent (100%) of the cost for course required books and/or tuition. The State may also provide an amount of time off without loss of compensation for attendance at non-mandatory training. Both Parties agree and understand that different amounts of reimbursement and release time may be provided to employees in the same or similar situations.
- B. It is the State's intent that this Section shall be administered in a non-discriminatory and equitable manner. Allegations of favoritism or inequitable treatment shall be grievable up to the Department of Personnel Administration.

- B. Each PPG may be limited to LOC nursing employees. The size, composition, and frequency of meetings shall be determined by facility management. These meetings shall be open and other employees may attend on their own time or on State time with his/her supervisor's approval. The selection process shall include an election of representative rank-and-file LOC nursing employees and may also include direct appointments by management. Direct appointments may not exceed one-half (1/2) of the total membership of Professional Practice Groups. Prior approval of agendas may be required. Each Professional Practice Group may elect officers, publish agendas in advance, and distribute their minutes only within the facility. No bargaining unit officer or job steward may serve as an elected officer. Each Professional Practice Group shall prepare minutes and provide a copy to management. Upon request, facility management may review the minutes and/or agenda prior to distribution.

It is understood by both parties that effective two-way communications improve morale and productivity.

- E. No Professional Practice Group shall discuss any subject that falls within the mandatory or permissive scope of bargaining as it relates to wages, hours, working conditions, classification studies, or a subject of any grievance or complaint. PPGs may, however, provide suggestions to appropriate department management on improvements to in-service training, and the appropriateness of uniform requirements. No Professional Practice Group communications, written or oral, may occur with any agency or organization other than the facility management without prior approval of the facility director or designee.
- F. All departments that currently utilize Professional Practice Groups shall reaffirm, in writing, the importance of the Professional Practice Group and encourage Unit 20 LOC nursing employees to attend the meetings. The parties seek to expand and develop Unit 20's skills and expertise and enhance personal growth through education and training initiatives.
- B. The State agrees to establish a program to provide financial assistance to aid employees in obtaining education that will enhance their potential in the nursing, teaching and other professions. The purpose of the program will be to enhance, but not duplicate, existing State workforce training and development options and to help meet the future needs of the employers' workforce. In pursuit of this objective, within ninety days of the ratification of this Memorandum of Understanding, the Chairperson of Bargaining Unit 20, or designee, will recommend to the State additional occupational groups to be included in this program.

- C. The State agrees to establish a Unit 20 Scholarship Advisory Committee with management and labor co-chairs. The purpose of the Committee is to establish and maintain a “qualified scholarship” program for career advancement to assist eligible State employees to participate in educational programs that will allow employees to pursue advancement in the nursing and/or teaching career fields in State government. Amounts reimbursed under a qualified scholarship to an individual who is a candidate for a degree at a qualified educational institution, as defined per Internal Revenue Code 117, are excludable from gross income. The Committee shall be tasked with establishing and maintaining guidelines for participation under which employees may be eligible for reimbursement of career-enhancing training and education expense. Allowable reimbursements include actual and customary charges for a degree at an accredited college or university including: tuition, books, supplies and equipment required for courses. The Committee shall be comprised of six (6) members with an equal number of union and management representatives. The union Bargaining Unit 20 Chairperson, or designee, may designate the State employee members who may attend meetings without loss of compensation. Membership on the Committee is open to members from Unit 20. The committee shall meet and report regularly to assist in administering the program.

All direct staffing and administration costs associated with the operation of the fund shall be paid from the fund. The State shall establish and maintain the fund with a contribution of \$250,000.
- E. Scholarship fund awards are intended to reimburse actual and allowable costs permitted under a “qualified scholarship” while attending the above committee approved training sessions/courses. The committee will meet and establish procedures on the reportability of these fees and costs.

ARTICLE 14 – CLASSIFICATION

14.1 Classification Changes

- A. When the Department of Personnel Administration (DPA) proposes establishment of a new classification or modification of an existing one, it shall inform the Union in writing of the proposal. The Union may request to meet and confer with the Department of Personnel Administration regarding the classification proposal. Failure to respond in writing within thirty (30) calendar days of receipt of the notice shall constitute a waiver of the Union’s right to meet and confer over the classification proposal prior to submittal to the State Personnel Board for consideration.
- B. The first negotiations meeting shall take place within twenty (20) calendar days of the Union’s request unless the parties agree to a different date. The purpose of the negotiations shall be the classification specifications and the compensation.
- C. If the parties reach an agreement, they shall jointly recommend, in writing, that the classification proposal be submitted to the State Personnel Board (SPB) for the non-hearing calendar.
- D. If the parties do not reach an agreement the classification proposal may be submitted to the State Personnel Board.

- E. In the event the State Personnel Board renders a decision that was not mutually agreed to by the parties, the Union and the State shall meet and confer over the impact, including compensation, of the Board's decision. No classification shall be established without a salary structure.

14.2 Out-of-Classification Grievances and Position Allocation Hearing Process

A. Definitions

- 1. An employee is working "out of class" when he/she spends a majority (i.e., more than 50 percent [50%]) of his/her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class. Duties appropriately assigned are based on the definition and typical tasks enumerated in the California State Personnel Board specification.

Training and Development assignments are not out-of-class work.

- 2. For purposes of this section, a classification is at a "higher level" if the maximum salary of the highest salary range (excluding alternate range criteria other than deep class criteria) is any amount more than the maximum salary of the highest range of the class in which the employee holds an appointment.
- 3. When an employee is performing the duties of a vacant position properly assigned to a higher class or the duties of an absent employee whose position is properly assigned to a higher classification, the employee shall be considered to be working out of class.

B. Authorization and Rate of Pay

- 1. Notwithstanding Government Code Sections 905.2, 19818.8, and 19818.16, an employee may be temporarily required to perform out-of-class work by his/her department for up to 120 calendar days in any twelve (12) consecutive calendar months when it determines that such an assignment:
 - a. Is of unusual urgency, nature, volume, location, duration, or other special characteristics; and,
 - b. Cannot feasibly be met through use of other civil service or administrative alternatives.
- 2. Departments may not use out-of-class assignments to avoid giving civil service examinations or to avoid using existing eligibility lists created as the result of a civil service examination.
- 3. When an employee is assigned out-of-class work, he/she shall receive the rate of pay he/she would have received pursuant to Title 2 California Code of Regulations Sections 599.673, 599.674, or 599.676 if appointed to the higher classification.

4. Out-of-class work may be discontinued by departments at any time; however, departments may not rotate employees in and out of out-of-class assignments to avoid payment of out-of-class compensation.
5. Out-of-class pay shall not be considered as part of the employee's base pay when computing the rate due upon promotion to a higher level.

C. Out-of-Class Grievances and Allocation Appeals

1. The grievance and arbitration procedure described in subsection D. below shall be the exclusive means by which alleged out-of-class assignments shall be remedied, including requests for review by the Department of Personnel Administration referenced in Government Code Section 19818.16 or the State Victims Compensation and Government Claims Board.
2. The grievance and arbitration procedure described in this section shall be the exclusive means for appealing position allocation or reallocation referenced in Government Code Sections 19818.6 and 19818.20.
3. Employees may not separately file out-of-class grievances and position allocation or reallocation grievances pertaining to the same duties and responsibilities.
4. The only remedy that shall be available (whether claiming out-of-class work or position misallocation) is retroactive pay for out-of-class work. Said pay shall be limited to out-of-class work performed (a) during the one (1) year calendar period before the employee's grievance was filed; and (b) the time between when the grievance was filed and finally decided by an arbitrator.
5. Arbitrators shall not have the authority to order reclassification (reallocation) of a grievant's position or discontinuance of out-of-class work assignments.

D. Grievance Procedure and Time Limits

1. An employee's grievance initially shall be discussed with the employee's supervisor.
2. If the grievance is not resolved to the satisfaction of the grievant a formal grievance may be filed on a form provided by the State within:
 - a. Fourteen (14) calendar days after receipt of the decision rendered by the supervisor; or
 - b. Twenty-one (21) calendar days after the date the employee's duties allegedly changed such that he/she stopped working out of classification or his/her position became misallocated.

However, under no circumstances may the period in which to bring the grievance be extended beyond the twenty-one (21) calendar days in Item B. above.
3. Out-of-class and misallocation grievances shall be filed with a designated supervisor or manager identified by each department head as the department level of appeal in the usual grievance procedure found in Article 6.

4. The person designated by the department head as the department level of appeal shall respond to the grievance in writing within forty-five (45) calendar days after receipt of the grievance.
 5. If the grievant is not satisfied with the decision rendered by the person designated by the department head at the department level of appeal, he/she may appeal the decision in writing within twenty-one (21) calendar days after receipt to the Director of the Department of Personnel Administration.
 6. The Director of the Department of Personnel Administration or designee shall respond to the grievance in writing within sixty (60) calendar days after receipt of the appealed grievance.
 7. If the grievance is not resolved by the Department of Personnel Administration, the Union shall have the right to submit the grievance to arbitration in accordance with Article 6, Section 6.11.
 8. Article 6, Section 6.11 (Arbitration Level) shall apply to out-of-class and misallocation grievances except as otherwise provided in this section.
- E. The arbitrator's decision regarding out-of-class and misallocation grievances shall be final and binding on the parties. Said awards shall not be subject to challenge or review in any forum, administrative or judicial, except as provided in Code of Civil Procedure Section 1286.2 et seq.
- F. The parties agree to support legislation to amend Government Code Section 19818.8 as follows. Said legislation must be enacted into law before the provisions of this section take effect.
1. Government Code Section 19818.8 (a) A person shall not be assigned to perform the duties of any class other than that to which his or her position is allocated, except as permitted by Section 19050.8.
 2. If the provisions of this section are in conflict with the provisions of a memorandum of understanding reached pursuant to Section 3517.5, the memorandum of understanding shall be controlling without further legislative action, except that if those provisions of the memorandum of understanding require the expenditure of funds, the provisions shall not become effective unless approved by the Legislature in the annual Budget Act.

14.3 Classification/Pay Data

Upon request, the State shall, on an annual basis, provide the Union with a list of classifications and salaries for Units 1, 4, 11, 14, 15 and 20 rank-and-file employees.

14.4 Duty Statements, Post Orders, and Work Instructions

- A. An employee shall be provided with a current duty statement for his/her position within fifteen (15) calendar days of his/her request. Duty statements must comply with the State Personnel Board job classification specifications.
- B. Post orders in CDC and work instructions in CYA will be provided where applicable.

- C. Duty statements, post orders, and work instructions shall be determined by the appointing power or designee and will be consistent with an employee's classification. At the time of an employee's annual appraisal, his/her duty statement shall be reviewed, and if necessary, updated to reflect his/her current duties.
- D. Upon request, a Union representative for the affected bargaining unit will be provided access to existing duty statements, post orders, and work instructions for review, and may make recommendations for changes to the appointing authority or designee.
- E. The parties recognize that post orders in CDC and work instructions in CYA are not grievable or arbitrable.
- F. Upon the establishment of a new or revised classification or series, a new duty statement shall be provided to each affected incumbent if appropriate.

14.5 Automation and New Technology

The State shall endeavor to notify the Union 180 days, but no less than sixty (60) days, prior to implementation of automation or technological changes that will result in a significant impact on bargaining unit employees. Upon request of the Union within thirty (30) days of such notification, the State shall negotiate with the Union on the impact of such changes.

14.6 Job Announcements

When a department posts a job announcement for which two classifications may be considered, it shall provide the duty statement for each classification upon request to each candidate for the position.

14.7 Assignment of Duties Normally Performed by Bargaining Unit Employees

The State shall notify the Union at least thirty (30) calendar days in advance of the effective date, before assigning duties normally performed by employees in the bargaining units covered by this Contract to any employee, group, individual, organization or business enterprise, if such assignment(s) may result in the displacement of employees in bargaining units covered by this Contract.

Upon request, within thirty (30) calendar days of the Union's receipt of the notice, the State shall meet and confer with the Union over such assignments.

14.8 Contracting Out

A. Purpose

The union has presented evidence that State departments are presently contracting out work appropriately done by Unit 1, 4, 11, 14, 15 and 20 employees, and that said contracting results in unnecessary additional costs to the State. Thus, the purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by Unit 1, 4, 11, 14, 15 and 20 employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State's ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by state departments.

B. Policy Regarding Personal Services Contracts and Cost Savings

Except in extremely unusual or urgent, time-limited circumstances, or under other circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain Unit 1, 4, 11, 14, 15 and 20 employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.

C. Information Regarding Contracts To Be Let

1. Departments will provide CSEA's designated representative with copies of Requests for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications.
2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide CSEA's designated representative with a copy of the Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed but no less than five (5) business days thereafter provided the contract is/will be for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D(2).
3. The purpose of this subsection (C) is to provide CSEA with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with CSEA for this purpose, if requested by CSEA.

D. Labor/Management Committee To Review Personal Service Contracts In Existence

1. A State Joint labor/management committee shall be established. It shall consist of representatives of CSEA, the Department of Personnel Administration, the Department of Finance and affected departments. The first meeting of this committee shall occur no later than 10 working days from ratification of the MOU, and shall be for purposes of determining the procedures by which the committee will operate. An initial review of all currently existing contracts as requested by the committee shall be completed within six (6) months from ratification of this agreement. However, if this deadline cannot be met due to the number or complexity of existing contracts for review, the committee may mutually agree to extend this deadline.
2. Upon request of the committee (or either party on the committee) each department shall submit copies of any or all personal services contracts that call for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than 21 calendar days following the request by the joint labor/management committee, or longer if approved by the committee. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in Unit 1, 4, 11, 14, 15 and 20 class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in Unit 1, 4, 11, 14, 15 and 20 classes. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the committee with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in Unit 1, 4, 11, 14, 15 and 20 class specifications. Costing information provided to the committee for protected contracts shall include total personnel costs for personnel services found in Unit 1, 4, 11, 14, 15 and 20 classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.

3. Within 10 workdays after receipt of the personal service contracts and associated documents as provided for in paragraph D (2) above, the committee shall begin reviewing the contracts. The committee shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal mandates and court decisions/orders. In this regard, the committee will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the committee. Committee determinations regarding contracts let by the Department of Corrections shall be subject to the restrictions set forth in subsection F below.
4. The committee will continue to meet as necessary to examine personal services contracts which have been let.
5. If savings are generated by the termination of personal service contracts under this provision, it is the intent of the State to implement findings of the committee for utilization of said savings. Such findings may include:
 - a. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of Unit 1, 4, 11, 14, 15 and 20 employees.
 - b. Enabling the employment of Unit 1, 4, 11, 14, 15 and 20 employees for services currently performed by contractors;
 - c. Enabling of the conversion to Unit 1, 4, 11, 14, 15 and 20 civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the State Personnel Board.
 - d. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee registries, and recruitment and retention incentives.
 - e. Such other purposes as may be mutually agreed upon by the joint labor/management committee.

E. Displacement Avoidance

1. The objective of this subsection is to ensure that Unit 1, 4, 11, 14, 15 and 20 employees have preference over contract employees consistent with, but not limited to the following principles.
 - a. The duties at issue are consistent with the Unit 1, 4, 11, 14, 15 and 20 employee's classification;
 - b. The Unit 1, 4, 11, 14, 15 and 20 employee is qualified to perform the job; and,
 - c. There is no disruption in services.

2. To avoid or mitigate Unit 1, 4, 11, 14, 15 and 20 employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee's classification is being performed by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the joint labor/management committee that reviews personal services contracts determines that the terms and purpose of the contract permit the State to assign the work to a Unit 1, 4, 11, 14, 15 and 20 employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and CSEA shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such assignments. This shall include developing a process that ensures that savings realized by terminating the contract and reassigning the work to a Unit 1, 4, 11, 14, 15 and 20 employee to avoid displacement, are utilized to offset that employee's moving and relocation costs, the amount of which shall be consistent with Section 12.2 Moving/Relocation of the parties' collective bargaining agreement.

F. Department of Corrections

1. This section shall not be applicable to the Department of Corrections until such time as it has been approved by the Federal court special master(s). Nothing in this section shall be interpreted or applied in such a manner as to interfere with Federal court orders, the authority of the Federal court or the authority of the special masters.
2. The Department of Corrections shall present this section to the special master(s) immediately in writing upon ratification of this agreement. The parties agree to make themselves immediately available to meet with the special master, on a schedule determined by the special master.
3. No contract for services by the Department of Corrections shall be prohibited, modified, restricted or terminated by virtue of this memorandum of understanding or by operation of the joint labor management committee established by this memorandum of understanding without approval of the Special Masters in *Madrid v. Alameida et al* (as it pertains to contracts effecting Pelican Bay State Prison), and/or the Special Master in the Coleman litigation (as it pertains to contracts effecting Coleman class members), and/or counsel for the parties in the Plata litigation or the Plata court (as it pertains to contracts effecting medical care for Plata class members).
4. If this section is not approved by the special master the parties agree to reopen negotiations for the purpose of agreeing on an alternative contracting out provision, with the goal of satisfying the concerns of the Federal court and CSEA.

G. Relationship Between This Section And Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Govt. Code § 19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code § 10337).

14.9.20 Classification Studies

- A. The State and Unit 20 agree to establish a Joint Labor/Management Advisory Classification Committee to review and make recommendations on updating existing classification specifications which do not reflect the current duties.
- B. The Union will propose up to four (4) classifications for review by the Committee in a fiscal year. Each proposed classification revision may be submitted to DPA for review and update and further consideration by SPB after the conclusion of action by the Committee.
- C. The Committee will consist of up to four (4) Union representatives and up to four (4) State representatives. The composition of the Committee may vary depending on the classification being discussed however, in no case shall the membership of the committee exceed four (4) Union and four (4) State representatives. Union representatives will serve on the Committee with no loss of compensation or benefits.
- D. The Committee will meet for a sufficient amount of time to properly address the issues. Release time of Union representatives shall be determined by the State subject to operational needs.
- E. Classification studies initiated by this Article shall be administered pursuant to Bargaining Unit 20's MOU, Article 14.1 (Classification Changes). Upon meeting and conferring with the Union, DPA and SPB approval, and certification of funds (Form 137) by all affected departments, the classification studies shall be implemented.

14.10.20 New Special Labor/Management Committee on Salary and Compensation Issues

- A. Committee comprised of four (4) representative from Union and four (4) representatives from Management. The DPA LRO assigned to Unit 20, or designee, and either the Unit 20 Chairperson, or designee, shall be one of the four (4) for each party.

 - 1. Methods for incorporation of R & R's into base salary in an orderly manner;
 - 2. Geographic/locality pay;

ARTICLE 15 – TRANSFER

15.1 Appeal of Involuntary Transfer

- A. The State shall make reasonable efforts to avoid involuntary transfers. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under Article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the Department of Personnel Administration disapproves the transfer, the employee shall be returned to his or her former position; shall be paid the regular travel allowance for the period of time he/she was away from his/her original headquarters; and his/her moving costs both from and back to the original headquarters shall be paid in accordance with the Department of Personnel Administration laws and rules.
- B. An appeal of an involuntary transfer which does not reasonably require an employee to change his/her residence shall not be subject to the grievance and arbitration procedure. It shall be subject to the complaint procedure if the employee believes it was made for the purpose of harassing or disciplining the employee.
- C. The State shall provide a minimum of sixty (60) days written notice for an involuntary transfer which reasonably requires an employee to change his/her residence.
- D. Employees, who are unwilling to accept the geographical transfer required by their current department, may pursue other options, such as but not limited to voluntary transfer, voluntary demotion, reduced work-time program, authorized partial service retirement, or voluntary retirement or resignation. Such employees who meet the Department of Personnel Administration, State Restriction of Appointments (SROA) definition, shall be considered surplus. The department head or designee shall make job opportunity bulletins and materials available to all eligible surplus employees. Eligible surplus employees shall be permitted to apply and compete for vacant positions of their current class or other classes to which he/she can transfer, pursuant to the SROA Process. Article 16 shall govern employee rights and appeals under these conditions.
- E. With prior supervisory approval, employees shall be allowed a reasonable amount of State paid time to participate in employment interviews associated with the efforts described in paragraph D. above.
- F. When a department has two or more employees in a class who are subject to an involuntary transfer which reasonably requires an employee to change his/her residence consideration shall be given for the affected employee's seniority in accordance with Government Code Section 19994.2.

15.2 Hardship Transfer

The State and the Union recognize the importance of hardship transfers as a way of dealing with Work and Family issues. An employee experiencing a verifiable hardship, e.g., domestic violence, mandatory job transfer of a spouse or domestic partner as defined in Family Code Section 297, family illness, serious health condition, injury or death of family members, may request a transfer to another geographic area to mitigate the hardship.

The State shall endeavor to reassign the employee to a comparable or lesser (if comparable is not available) position in the requested geographic area. If the employee accepts a position in a lower paid classification, the State shall endeavor to reinstate the employee to their former classification and comparable salary level.

Transfers under this section shall be considered voluntary and any associated relocation costs shall be subject to the applicable Department of Personnel Administration laws and rules.

A department shall provide in writing the reason(s) for the inability to grant the transfer.

This section is not subject to the grievance and arbitration procedure of this Contract.

15.3.20 Post and Bid Procedure for Vacant LVN Positions

Post and Bid shall apply to the Licensed Vocational Nurse (LVN) Classification at facilities (1) with 15 or more LVN positions and (2) which either provide services seven (7) days a week or for which management has established multiple starting times. Only permanent full-time employees are eligible to participate in the post and bid process.

A. Vacant Positions

As management determines that positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any facility at any time. In no case shall more than sixty percent (60%) of the filled positions in a facility be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may

be advertised in each facilities publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

1. Identification posting number
2. Level of position
3. Program and unit (or ward) or other assignment
4. Shift
5. Days off or rotation pattern and cycle
6. Time base
7. Deadline for bid submittal
8. Indication of an "incentive bid position"
9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

D. Assignment

Within fifteen (15) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice. If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party's ratios or 60/40 position count. These positions may be filled:

1. In accordance with Subsection A. above, or
2. Hire, promotion, reinstatement, transfer from within the facility or from another State agency.

If that position is filled or committed within sixty (60) days of withdrawal of posting under (2) above, it shall not count in the 50/50 posting ratios.

E. Incentive Bid Position

A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an "incentive position" on the third consecutive posting. In a program identified as a "designated program" an unbid position may be identified as an incentive position on the second consecutive posting.

An employee who successfully bids an incentive position and remains in the position for one (1) year shall be accorded super-seniority for their next successful bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:

1. Length of super-seniority
2. Seniority
3. By lot

Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without counting in the posting ratios or position counts. He/she is then eligible to receive super-seniority in the same manner as an employee who bid the position. Employees who successfully bid an incentive position and are bidding in-place (same unit and shift as the posted position) shall not be eligible to earn the super-seniority. In "designated programs" the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only.

The facility shall provide the union with a weekly listing of "designated programs."

An employee in an incentive position that is deleted or altered in accordance with subsection E. shall retain the eligibility to earn super-seniority if he/she elects to remain in the altered or changed position. Employee absences due to illness or injury shall not be counted after the fourteenth (14th) consecutive calendar day toward the one (1) year qualifying period to earn super-seniority.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

H. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this Section.

I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the facilities chief or designee is required prior to such denial.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded super-seniority for one (1) successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in Subsection J. above, these bids shall not be counted under this Subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Executive Director or designee prior to the final decision regarding the employee's ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the Union.
2. Representatives of the Union and the State shall meet and review the situation.

3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
4. Nothing in this subsection shall prohibit the employee and/or the union from filing a grievance.

L. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

M. At each facility, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with CSEA representatives for the purpose of reviewing compliance with the Post and Bid provision.

N. For purposes of this Agreement, "seniority" is defined as one (1) point for each qualifying month of full-time State service.

O. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the agreement by both the State and the union membership.

The order of expansion of the pilot project will be Yountville then the Chula Vista facilities.

15.5.20 Employee Opportunity Transfer

- A. The parties recognize that when the State deems it necessary to fill a vacant position, the needs of the State must be given first priority. The needs of the State include the right to fill vacant positions using existing eligible or promotional lists, involuntary transfers, reassignments, or other selection methods for reasons such as affirmative action, special skills, abilities or aptitudes.
- B. The parties also recognize the desirability of permitting a permanent employee to transfer within his/her department and classification to another location which the employee deems to be desirable. To this end, permanent full-time employees may apply for an Employee Opportunity Transfer to a position at another location within his/her department in accordance with the following procedure:
 1. Employees desiring an Employee Opportunity Transfer shall apply in writing to his/her department head or designee in a manner prescribed by the department. Such transfer requests shall be to permanent positions in the same department within his/her current classification.

Whenever a department head or designee elects to fill a vacancy through an Employee Opportunity Transfer, a permanent employee who already has an Employee Opportunity Transfer application to that location on file with the department shall be selected. If there is more than one (1) employee with an Employee Opportunity Transfer application to the same location on file, one (1) of the top three (3) employees with the greatest amount of department service by class shall be selected. When an employee is formally interviewed, the department head or designee will notify the employee of the non-selection.
- D. Permanent employees who wish to submit Employee Opportunity Transfer applications may do so during a thirty (30) calendar day open period, to be scheduled once every six (6) months by each department. No employee shall submit more than four (4) Employee Opportunity Transfer applications during an open period.

16.3 Alternative to Layoff

17.3 Employee Retirement Contribution Reduction for Miscellaneous Members

If the Board of Administration of the California Public Employees Retirement System (CalPERS) informs the parties in writing that it has determined that the recent temporary arrangement whereby state employees were relieved of paying into their retirement fund may be extended for 12 months and that such an extension would be fiducially sound and meet the Board's established actuarial standards, which in turn provides temporary cash flow relief to the State, the parties will agree to the following:

- A. Effective the first of the pay period following approval by the CalPERS Board and ratification of the legislature and continuing for 12 monthly pay periods thereafter, the State agrees to the following:
 - Employees who are miscellaneous and/or industrial members of the first tier plan, and who are subject to Social Security under the CalPERS, shall have their employee retirement contribution rate reduced to zero.

However, if the CalPERS Board of Administration alters the amortization schedule referenced above in a manner that accelerates the employer payment obligation, either party to this agreement may declare this section of the Contract, and all obligations set forth herein, to be null and void. As indicated in the above referenced letter, "10% of the net unamortized actuarial loss shall be amortized each year." However, if the CalPERS Board of Administration alters the amortization schedule referenced above in a manner that accelerates the employer payment obligation, either party to this agreement may declare this section of the Contract, and all obligations set forth herein, to be null and void. In the event this Contract becomes null and void, the employee retirement contribution rate shall be restored to levels in effect on August 30, 2001, and the parties shall be obligated to immediately meet and confer in good faith to discuss alternative provisions.

If the Teachers' Retirement Board of the State Teachers' Retirement System (STRS) informs the parties in writing that it has determined that the recent temporary arrangement whereby state employees were relieved of paying into their retirement fund may be extended for 12 months and that such an extension would be fiduciarily sound and meet the Board's established actuarial standards, which in turn provides temporary cash flow relief to the State, the parties will agree to the following:

As indicated in the above referenced letter, "10% of the net unamortized actuarial loss shall be amortized each year." However, if the CalPERS Board of Administration alters the amortization schedule referenced above in a manner that accelerates the employer payment obligation, either party to this agreement may declare this section of the Contract, and all obligations set forth herein, to be null and void. In the event this Contract becomes null and void, the employee retirement contribution rate shall be restored to levels in effect on August 30, 2001, and the parties shall be obligated to immediately meet and confer in good faith to discuss alternative provisions.

ARTICLE 19 – HOURS OF WORK AND OVERTIME

19.1 Hours of Work

- A. Unless otherwise specified herein, the regular workweek of full-time employees shall be forty (40) hours, Monday through Friday, and the regular work shift shall be eight (8) hours.
- B. Workweeks and work shifts of different numbers of hours may be established by the employer in order to meet varying needs of the State agencies.
- C. Employees' workweeks and/or work shifts shall not be permanently changed by the State without adequate prior notice. The State shall endeavor to give thirty (30) calendar days but in no case less than fifteen (15) calendar days notice.
- D. The State shall endeavor to provide employees with at least five (5) working days advance notice of a temporary change in their workweek hours and workday. This advance notice is not required if:
 - 1. The change is due to an unforeseen operational need; or
 - 2. The change is made at the request of the employee.
- E. Classifications are assigned to the workweek groups as shown in the Lists of Classifications attached to this Contract.
- F. Workweek group policy for FLSA - Exempt/Excluded Employees:

State employees who are exempt/excluded from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt/excluded from the FLSA:

- 1. Management determines, consistent with the current Contract the products, services, and standards which must be met by FLSA - exempt/excluded employees;
- 2. The salary paid to FLSA - exempt/excluded employees is full compensation for all hours worked in providing the product or service;
- 3. FLSA - exempt/excluded employees are not authorized to receive any form of overtime compensation, whether formal or informal;
- 4. FLSA - exempt/excluded employees are expected to work, within reason, as many hours as necessary to accomplish their assignments or fulfill their responsibilities and must respond to directions from management to complete work assignments by specific deadlines. FLSA exempt/excluded employees may be required to work specific hours to provide services when deemed necessary by management;

5. FLSA - exempt/excluded employees shall not be charged paid leave or docked for absences in less than whole-day increments. Less than full-time employees shall be charged time proportionate to their scheduled hours of work. Record keeping for accounting, reimbursements, or documentation relative to other applicable statutes, such as the Family Medical Leave Act, is permitted.
6. FLSA - exempt/excluded employees shall not be suspended for less than five (5) days when facing discipline;
7. With the approval of the appointing power, FLSA - exempt/excluded employees may be allowed absences with pay for one or more whole days due to excessive work load or other special circumstances without charging leave credits;
8. Subject to prior notification and management concurrence, FLSA exempt/excluded employees may alter their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts. Prior approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave, personal day) for absences of an entire day or more is required.

19.2 Overtime

- A. Overtime is earned at the rate of one and one-half times the hourly rate for all hours worked in excess of forty (40) hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:
 1. Ordered overtime of at least fifteen (15) minutes at any one time;
 2. Overtime will be credited on a fifteen (15) minute basis with a full fifteen (15) minute credit to be granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.
- B. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations. However, in the event that the Department of Industrial Relations determines that this provision is inconsistent with Labor Code Section 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.
- C. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable overtime worked by its employees.
- D. The time when CTO may be taken shall be at the discretion of the State. When CTO is ordered, reasonable advance notice (at least 24 hours) should be provided the employee.
- E. CTO may be taken only in units of time of fifteen (15) minutes or multiples thereof.

- F. CTO for employees shall be earned on a time and one-half (1½) basis and may be authorized in lieu of cash compensation. If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.
- G. Employees may accrue up to 240 hours of CTO. All hours in excess of 240 CTO hours shall be compensated in cash.
- H. Normally, an employee who has an accumulation of 240 hours or thirty (30) days of authorized overtime shall not be required to work additional overtime.
- I. Notwithstanding any other contract provision, departmental policy, or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it meets the definitions and requirements of travel time in Sections 785.34 through 785.41 of Title 29 of the Code of Federal Regulations, except as provided in 1, 2 and 3 below.
 - 1. All time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the Fair Labor Standards Act (FLSA). For FLSA covered employees, the State shall endeavor to accommodate travel to an alternate worksite to occur during an employee's normal work hours. However, the State will also consider the business needs of the department including the costs of travel arrangements.
 - 2. Notwithstanding the above, FLSA covered employees traveling on state business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee's regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on state business. This paragraph does not apply to employees who voluntarily choose to travel outside their normal work hours.
 - 3. FLSA covered drivers of a carpool, a vanpool, or other vehicle traveling on state business will be compensated consistent with FLSA for purposes of overtime and shall not receive the special allowance described in I(2) above.

19.3 Rest Periods

- A. An employee may be granted a rest period on State time not to exceed fifteen (15) minutes each four (4) hours of his/her work shift not to exceed thirty (30) minutes each workday. A rest period will not normally be granted during the first or last hour of the work shift. An employee shall be permitted to leave his/her work area during the rest period. Employees in twenty-four (24) hour institutions, hospitals, State Special Schools, or Developmental Centers may be required to notify their supervisors before leaving their work area and inform them of their location for the rest period.

- B. An additional five (5) minute break per continuous hour of work on a computer shall be granted to an employee in an hour when no other break or rest period has been granted. Upon the Union's request, the State shall consider permitting other employees the additional rest periods.
- C. Rest periods may not be accumulated nor may they be used to "make-up" time.
- D. If a Unit 15 employee in the Department of Corrections or the Department of Youth Authority who has a custody control assignment is unable to take his/her individual rest period due to workload and/or lack of coverage and the supervisor provides for coverage, the supervisor will allow the employee to combine the daily rest periods into one rest period, not to exceed a total of thirty (30) minutes.

19.4 Meal Periods

- A. Except for employees who are assigned to a straight eight (8) hour shift, full-time employees shall normally be allowed a meal period of not less than thirty (30) minutes or not more than sixty (60) minutes which shall be scheduled near the middle of the work shift. Meal periods taken shall not be counted as part of total hours worked.
- B. When employees assigned to a straight eight or more hour shift are assigned by the employer to training, a committee, task force, or a special project, an unpaid meal period of not less than thirty (30) minutes nor more than sixty (60) minutes shall be granted and scheduled near the middle of the work shift.
- C. Employees working more than five (5) hours per day, but less than eight (8) hours per day shall be entitled to a meal period of at least thirty (30) minutes. Meal periods shall not be counted as part of total hours worked.

19.5 Set Up/Shut Down Time

Time necessary to "set up" and/or "shut down" a State function shall be part of the employee's workday.

19.6 Flexible Work Hours

- A. Upon request by the Union or an employee, the State shall not unreasonably deny a request for flexible work hours, an alternate workweek schedule or reduced workweek schedule. Employees who have flexible work hours or are placed on an alternate workweek or reduced workweek schedule will comply with procedures established by the department.
- B. Any denial of requests made under subsection A. shall be provided in writing. A copy of the written denial shall also be sent Attn: Work and Family Committee, CSEA, Local 1000, SEIU, 1108 "O" Street, Sacramento, California, 95814. In addition, a department head or designee may, upon thirty (30) days notice to affected employees cancel or make permanent changes to flexible work hours, alternate work schedules, or reduced work time schedules.

- C. An "alternate workweek schedule" is a fixed work schedule other than standard work hours. "Flexible work hours" allows for the change of work schedules on a daily basis. "Reduced work time" is defined in Government Code Sections 19996.20 through 19996.29.

19.7 Exchange of Time Off - Multi-Shift Operations

- A. Permanent employees employed by departments with multiple shift operations may be permitted to exchange hours of work with other employees in the same classification or level (determined by the supervisor), performing the same type of duties in the same work areas, provided:
 - 1. The employees make a written request to their supervisor(s) at least twenty-four (24) hours prior to the exchange;
 - 2. The supervisor(s) approve the exchange; and
 - 3. The employees exchanging time off shall not be entitled to any additional compensation (e.g., overtime or overtime meals, holiday credit/pay, shift differential), which they would not have otherwise received.
- B. Each employee shall be responsible for the coverage of the work assignment he/she accepts. If the employee who exchanges with another employee fails to report for duty for the exchange, he/she shall be subject to repaying the actual time (hour-for-hour) of filling in behind the assignment. The State shall first use accrued time credits for the repayment; then use "accounts receivable" should time credits be insufficient for the repayment. In the event the employee fails to report for duty because of illness or injury, he/she may be required to provide medical verification in accordance with Section 8.2 of this Contract.
- C. An employee who fails to report for duty for the exchange and has not provided a medical verification of illness as described, shall not be allowed to participate in an exchange for 180 calendar days from the date of the missed exchange.
- D. All exchanges must occur during the same workweek.
- E. Probationary employees are excluded from participating in exchanges of time off.
- F. No exchange shall result in an employee working double shifts.
- G. For Unit 15 the following special rules apply:
 - 1. All exchanges must occur within the pay period in which the initial exchange was taken, or ninety (90) calendar days from the initial exchange, whichever is greater, and
 - 2. Double shifts will be permitted, consistent with departmental practices.
- H. If an exchange is denied, the supervisor denying the exchange shall state the reason for the denial upon written request by the employee.
- I. This section is not subject to the grievance and arbitration procedure of this Contract.

19.8 Work In Multiple Time Zones

When traveling into a different time zone, the first day's time is computed using the time zone in which the employee started. The time worked on subsequent days is computed by using the time zone in which the employee is working. The time worked on the return trip is computed using the time zone from which the employee departed.

19.9 Call Back Time

- A. An employee who has completed a normal work shift, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of that work shift.
- B. When such an employee is called back under these conditions within four (4) hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four (4) hours credit for the new call back.
- C. When such an employee is called back within four (4) hours of the beginning of the employee's next shift, call back credit shall be received only for the hours remaining before the beginning of the employee's next shift.
- D. When staff meetings, training sessions, or work assignments are scheduled on an employee's authorized day off, the employee shall be credited with a minimum of four (4) hours of work time. When staff meetings and training sessions are scheduled on an employee's normal workday and outside the employee's normal work shift, overtime compensation shall be received in accordance with the rules governing overtime.
- E. For reporting purposes, compensable time begins when the employee reports to the job site or begins work from a different site, which may include the employee's home, approved by the department head or designee.

19.10 Standby Time

- A. "Standby" is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.
- B. Each department or designee may establish procedures with regard to how contact is to be made (e.g., electronic paging device, phone) and with regard to response time while on standby.
- C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an employee shall receive two (2) hours of compensating time off (CTO), which may be prorated on the basis of fifteen (15) minutes CTO for each one (1) hour of standby. Standby may not be scheduled in less than one (1) hour increments.

- D. No standby credit will be earned if the employee is called back to work and receives call back credit.
- E. Standby and CTO credited as a result of standby shall not be considered time worked for purposes of qualifying for overtime.

19.11.20 Overtime Scheduling

- A. The Departments recognize and understand the importance of reducing mandatory overtime to Unit 20 Employees. To this end, the Department will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.
- B. There shall be no mandatory overtime on an employee's regular day off (RDO) or pre-approved day off, except:

- D. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). Through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignments.
- E. Before an employee is required to work mandatory overtime, a reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime.

 - 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
 - 3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employee preference.
- G. The Department of Veteran's Affairs – Yountville agrees to met with the Union regarding the mandatory overtime policy for the Veteran's Home.
- H. The Department of Developmental Services:
 - 1. Facilities that utilize the "red dot-blue dot" system for assigning overtime will count time worked, as a result of either a red dot or blue dot assignment, toward the mandatory overtime limitations.
 - 2. At management's discretion all Unit 20 employees at a facility may be included in the mandatory overtime distribution process.

- B. When scheduled CTO, vacation, or annual leave is rescinded, the State shall give priority consideration to the employee's request to reschedule the rescinded time off.
- C. If the employee suffers a financial loss from the cancellation of CTO, vacation or annual leave that has been approved in writing, the employee may submit a Board of Control claim for non-refundable expenditure which can be verified. The employer will support the claim.

- C. The parties agree the union representatives shall attend committee meetings without loss of compensation. If this occurs, the management co-chairperson may request that additional release time be granted for this purpose. Approval of release time is subject to operational need.
- D. The Committee shall meet regularly and shall begin meeting after the ratification of this Contract.

The \$5 million dollars already established in the Work and Family Fund shall be administered by the Department of Personnel Administration. Amounts to be allocated and expended annually from the fund shall be determined by the Department of Personnel Administration and the Committee.

3. Employees will be required to enroll and participate in a Dependent Care Reimbursement Account administered through the State FlexElect program. Employees must meet the eligibility criteria for the State FlexElect program to be eligible to participate in the Dependent Care Subsidy program.
4. Employees will be required to apply for the subsidy each calendar year in which the Dependent Care Subsidy program is offered. Should the number of employees applying for the benefit exceed the total funds available for subsidies, a lottery will be used to select employees who will receive the subsidy. Only one cash award per year will be awarded to each employee. Married state employees may apply separately, but may not receive more than one subsidy award of up to \$1,000 per qualified dependent, two-child maximum.

ADDENDUM I

Time off for Victims of Domestic Violence

State of California

MEMORANDUM

DATE: June 20, 2001

TO: PERSONNEL MANAGEMENT LIAISONS

REFERENCE CODE: 2001-025

THIS MEMORANDUM SHOULD BE DISTRIBUTED TO:

Employee Relations Officers
Personnel Officers

FROM: Department of Personnel Administration
Policy Development Office

SUBJECT: Time Off for Victims of Domestic Violence

CONTACT: Charlotte Gehringer, Personnel Management Analyst

FAX: (916) 324-9393
Email: CharlotteGehringer@dpa.ca.gov

The purpose of this memo is to notify departments of an addition to existing law regarding time off for an employee who is a victim of domestic violence.

Effective January 1, 2001, Assembly Bill 2357 added Section 230.1 to the Labor Code to specify that employers with 25 or more employees may not discharge or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in Section 6211 of the Family Code, for taking time off to seek medical attention for injuries caused by domestic violence, obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation. An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993.

The provisions of this bill apply to the State as an employer and to State employees. The entitlement of any employee under this law shall not be diminished by a collective bargaining agreement.

If you have any questions, please contact Charlotte Gehringer at (916) 323-6938.

Policy Development Office
