GUILTY PLEA IN BATON ROUGE, LOUISIANA
TO FEDERAL FEMA FRAUD CHARGES

BATON ROUGE, LA – United States Attorney David R. Dugas announced that TIFFANY N. HATHORN, age 25, a resident of Donaldsonville, Louisiana, pled guilty today before District Court Judge John V. Parker to Count One of an Indictment charging HATHORN with making false and fraudulent claims for disaster relief benefits.

As a result of this guilty plea to Count One of the Indictment, HATHORN faces a sentence of imprisonment of a maximum of five (5) years and a \$250,000 fine, or both. As part of the plea agreement, the U.S. Attorney's Office will dismiss Count Two of the Indictment when HATHORN is sentenced on Count One.

In September 2005, Attorney General Alberto R. Gonzales created the Hurricane Katrina Fraud Task Force, designed to deter, investigate and prosecute disaster-related federal crimes such as charity fraud, identity theft, procurement fraud and insurance fraud. The Hurricane Katrina Fraud Task Force – chaired by Assistant Attorney General Alice S. Fisher of the Criminal Division – includes members from the FBI, the Federal Trade Commission, the Postal Inspector's Office, and the Executive Office for United States Attorneys, among others. This case was investigated by the U.S. Department of Homeland Security, Office of the Inspector General.

The total number of defendants who have been charged in the Middle District of Louisiana with violations related to FEMA relief funds stands at twenty-six.
