The purpose of the Employment Assistance Program is to assist Indian people who have a job skill to obtain and retain permanent employment. Within that framework, the program provides services to eligible Indians, as provided in § 26.5, including vocational counseling and employment services on reservations and at other home areas, in communities near reservations and in off-reservation areas. Support services are also included, as provided in § 26.6.

§ 26.3 Information collection.

The information collection requirements contained in §§ 26.4 and 26.6 have been approved by the Office of Management and Budget (OMB) under 44 U.S.C. 3504(h) and are assigned clearance numbers 1076-0062 and 1076-0061. Information necessary for an application for employment assistance will be submitted on an application form which may be obtained at a local Bureau of Indian Affairs Agency or tribal program contractor office. This information is being collected for the purpose of applying for Federal assistance. The information will be used to determine if an Indian person is eligible to participate in this program and to determine the amount of assistance needed. The obligation to respond is a requirement to obtain the benefits.
