

(3) Except as provided in paragraph (b)(2) of this section, no Federal law listed in section 105(3)(C)(ii) of the Act or any other provision of Federal law (including an Executive order) relating to acquisition by the Federal government shall apply to a construction contract that an Indian tribe or tribal organization enters into under this Act, unless expressly provided in the law.

(c) Provisions of a construction contract under this subpart shall be liberally construed in favor of the contracting Indian tribe or tribal organization.

§ 900.116 Are negotiated fixed-price contracts treated the same as cost-reimbursable contracts?

Yes, except that in negotiated fixed-price construction contracts, appropriate clauses shall be negotiated to allocate properly the contract risks between the government and the contractor.

§ 900.117 Do these “construction contract” regulations apply to planning services?

(a) These regulations apply to planning services contracts only as provided in this section.

(1) The Indian tribe or tribal organization shall submit to the Secretary for review and approval the POR documents produced as a part of a model contract under section 108 of the Act or under a construction contract under this subpart.

(i) Within 60 days after receipt of the POR from the Indian tribe or tribal organization for a project that has achieved priority ranking or that is funded, the Secretary shall:

(A) Approve the POR;

(B) Notify the Indian tribe or tribal organization of and make available any objections to the POR that the Secretary may have; or

(C) Notify the Indian tribe or tribal organization of the reasons why the Secretary will be unable either to approve the POR or to notify the Indian tribe or tribal organization of any objections within 60 days, and state the time within which the notification will be made, provided that the extended time shall not exceed 60 additional days.

(ii) Within a maximum of 180 days after receipt of a POR from an Indian tribe or tribal organization for a project that is not funded and is not described in paragraph (a)(1)(i) of this section, the Secretary shall:

(A) Approve the POR; or

(B) Notify the Indian tribe or tribal organization of and make available any objections to the POR; or

(C) Notify the Indian tribe or tribal organization of the reasons why the Secretary will be unable either to approve the POR or to notify the Indian tribe or tribal organization of any objections within 180 days, and state the time within which the notification will be made, provided that the extended time shall not exceed 60 additional days.

(2) Any failure of the Secretary to act on a POR within the applicable period required in paragraph (a)(1) of this section will be deemed a rejection of the POR and will authorize the commencement of any appeal as provided in section 110 of the Act, or, if a model agreement under section 108 of the Act is used, the disputes provision of that agreement.

(3) If an Indian tribe or tribal organization elects to provide planning services as part of a construction contract rather than under a model agreement as set out in section 108 of the Act, the regulations in this subpart shall apply.

(b) The parties to the contract are encouraged to consult during the development of the POR and following submission of the POR to the Secretary.

§ 900.118 Do these “construction contract” regulations apply to construction management services?

No. Construction management services may be contracted separately under section 108 of the Act. Construction management services consultants and/or Indian tribe or tribal organization employees assist and advise the Indian tribe or tribal organization to implement construction contracts, but have no contractual relationship with or authority to direct construction contract subcontractors.

(a) If the Indian tribe or tribal organization chooses to contract solely for construction management services, these services shall be limited to:

§ 900.119

(1) Coordination and exchange of information between the Indian tribe or tribal organization and the Secretary;

(2) Review of work produced by the Secretary to determine compliance with:

(i) The POR and design contract during the design stage; or

(ii) The project construction documents during the construction stage;

(3) Disputes shall be resolved in accordance with the disputes clause of the CMS contract.

(b) If the Indian tribe or tribal organization conducts CMS under section 108 of the Act and the Indian tribe or tribal organization contracts separately under this subpart for all or some of the activities in §900.110, the contracted activities shall be limited to:

(1) Coordination and exchange of information between the Indian tribe or tribal organization and Secretary;

(2) Preparation of tribal or tribal organization construction subcontract scope of work identification and subcontract preparation, and competitive selection of tribal or tribal organization construction contract subcontractors;

(i) The POR and the design contract during the design stage; or

(ii) The project construction documents during the construction stage.

§ 900.119 To what extent shall the Secretary consult with affected Indian tribes before spending funds for any construction project?

Before spending any funds for a planning, design, construction, or renovation project, whether subject to a competitive application and ranking process or not, the Secretary shall consult with any Indian tribe or tribal organization(s) that would be significantly affected by the expenditure to determine and to follow tribal preferences to the greatest extent feasible concerning: size, location, type, and other characteristics of the project.

25 CFR Ch. V (4-1-06 Edition)

§ 900.120 How does an Indian tribe or tribal organization find out about a construction project?

Within 30 days after the Secretary's allocation of funds for planning phase, design phase, or construction phase activities for a specific project, the Secretary shall notify, by registered mail with return receipt in order to document mailing, the Indian tribe or tribal organization(s) to be benefitted by the availability of the funds for each phase of a project. The Secretarial notice of fund allocation shall offer technical assistance in the preparation of a contract proposal.

(a) The Secretary shall, within 30 days after receiving a request from an Indian tribe or tribal organization, furnish the Indian tribe or tribal organization with all information available to the Secretary about the project including, but not limited to: construction drawings, maps, engineering reports, design reports, plans of requirements, cost estimates, environmental assessments, or environmental impact reports and archeological reports.

(b) An Indian tribe or tribal organization is not required to request this information prior to submitting a notification of intent to contract or a contract proposal.

(c) The Secretary shall have a continuing responsibility to furnish information.

§ 900.121 What happens during the preplanning phase and can an Indian tribe or tribal organization perform any of the activities involved in this process?

(a) The application and ranking process for developing a priority listing of projects varies between agencies. There are, however, steps in the selection process that are common to most selection processes. An Indian tribe or tribal organization that wishes to secure a construction project should contact the appropriate agency to determine the specific steps involved in the application and selection process used to fund specific types of projects. When a priority process is used in the selection of construction projects, the steps involved in the application and ranking process are as follows:
