

§ 900.134

§ 900.134 At the end of a self-determination construction contract, what happens to savings on a cost-reimbursement contract?

The savings shall be used by the Indian tribe or tribal organization to provide additional services or benefits under the contract. Unexpended contingency funds obligated to the contract, and remaining at the end of the contract, are savings. No further approval or justifying documentation by the Indian tribe or tribal organization shall be required before expenditure of funds.

§ 900.135 May the time frames for action set out in this subpart be reduced?

Yes. The time frames in this subpart are intended to be maximum times and may be reduced based on urgency and need, by agreement of the parties. If the Indian tribe or tribal organization requests reduced time frames for action due to unusual or special conditions (such as limited construction periods), the Secretary shall make a good faith effort to accommodate the requested time frames.

§ 900.136 Do tribal employment rights ordinances apply to construction contracts and subcontracts?

Yes. Tribal employment rights ordinances do apply to construction contracts and subcontracts pursuant to section 7(b) and section 7(c) of the Act.

§ 900.137 Do all provisions of the other subparts apply to contracts awarded under this subpart?

Yes, except as otherwise provided in this subpart and unless excluded as follows: programmatic reports and data requirements, reassumption, contract review and approval process, contract proposal contents, and § 900.150 (d) and (e) of these regulations.

Subpart K—Waiver Procedures

§ 900.140 Can any provision of the regulations under this part be waived?

Yes. Upon the request of an Indian tribe or tribal organization, the Secretary shall waive any provision of these regulations, including any cost principles adopted by the regulations

25 CFR Ch. V (4–1–06 Edition)

under this part, if the Secretary finds that granting the waiver is either in the best interest of the Indians served by the contract, or is consistent with the policies of the Act and is not contrary to statutory law.

§ 900.141 How does an Indian tribe or tribal organization get a waiver?

To obtain a waiver, an Indian tribe or tribal organization shall submit a written request to the Secretary identifying the regulation to be waived and the basis for the request. The Indian tribe or tribal organization shall explain the intended effect of the waiver, the impact upon the Indian tribe or tribal organization if the waiver is not granted, and the specific contract(s) to which the waiver will apply.

§ 900.142 Does an Indian tribe or tribal organization's waiver request have to be included in an initial contract proposal?

No. Although a waiver request may be included in a contract proposal, it can also be submitted separately.

§ 900.143 How is a waiver request processed?

The Secretary shall approve or deny a waiver within 90 days after the Secretary receives a written waiver request. The Secretary's decision shall be in writing. If the requested waiver is denied, the Secretary shall include in the decision a full explanation of the basis for the decision.

§ 900.144 What happens if the Secretary makes no decision within the 90-day period?

The waiver request is deemed approved.

§ 900.145 On what basis may the Secretary deny a waiver request?

Consistent with section 107(e) of the Act, the Secretary may only deny a waiver request based on a specific written finding. The finding must clearly demonstrate (or be supported by controlling legal authority) that if the waiver is granted:

(a) The service to be rendered to the Indian beneficiaries of the particular program or function to be contracted will not be satisfactory;

(b) Adequate protection of trust resources is not assured;

(c) The proposed project or function to be contracted for cannot be properly completed or maintained by the proposed contract;

(d) The amount of funds proposed under the contract is in excess of the applicable funding level for the contract, as determined under section 106(a) of the Act; or

(e) The program, function, service, or activity (or portion of it) that is the subject of the proposal is beyond the scope of programs, functions, services, or activities that are contractible under the Act because the proposal includes activities that cannot lawfully be carried out by the contractor.

§ 900.146 Is technical assistance available for waiver requests?

Yes. Technical assistance is available as provided in § 900.7 to prepare a waiver request or to overcome any stated objection which the Secretary might have to the request.

§ 900.147 What appeal rights are available?

If the Secretary denies a waiver request, the Indian tribe or tribal organization has the right to appeal the decision and request a hearing on the record under the procedures for hearings and appeals contained in subpart L of these regulations. Alternatively, the Indian tribe or tribal organization may sue in Federal district court to challenge the Secretary's action.

§ 900.148 How can an Indian tribe or tribal organization secure a determination that a law or regulation has been superseded by the Indian Self-Determination Act, as specified in section 107(b) of the Act?

Any Indian tribe or tribal organization may at any time submit a request to the Secretary for a determination that any law or regulation has been superseded by the Act and that the law has no applicability to any contract or proposed contract under the Act. The Secretary is required to provide an initial decision on such a request within 90 days after receipt. If such a request is denied, the Indian tribe or tribal organization may appeal under subpart L of these regulations. The Secretary

shall provide notice of each determination made under this subpart to all Indian tribes and tribal organizations.
