

in whole or in part, with BIA for certain programs. This is referred to as a “retained Tribal share”.

§ 1000.102 How are savings that result from downsizing allocated?

Funds that are saved as a result of downsizing in BIA are allocated to Tribes/Consortia in the same manner as Tribal shares as provided for in § 1000.98.

§ 1000.103 Do Tribes/Consortia need Secretarial approval to reallocate funds between programs that the Tribe/Consortium administers under the AFA?

No, unless otherwise required by law, the Secretary does not have to approve the reallocation of funds between programs that a Tribe/Consortium administers under an AFA.

§ 1000.104 Can funding amounts negotiated in an AFA be adjusted during the year it is in effect?

Yes, funding amounts negotiated in an AFA may be adjusted under the following circumstances:

(a) *Congressional action.* (1) Increases/decreases as a result of Congressional appropriations and/or a directive in the statement of managers accompanying a conference report on an appropriations bill or continuing resolution.

(2) General decreases due to Congressional action must be applied consistently to BIA, self-governance Tribes/Consortia, and Tribes/Consortia not participating in self-governance.

(3) General increases due to Congressional appropriations must be applied consistently, except where used to achieve equitable distribution among regions and Tribes.

(4) A Tribe/Consortium will be notified of any decrease and be provided an opportunity to reconcile.

(b) *Mistakes.* If the Tribe/Consortium or the Secretary can identify and document substantive errors in calculations, the parties will renegotiate the amounts and make every effort to correct such errors.

(c) *Mutual Agreement.* Both the Tribe/Consortium and the Secretary may agree to renegotiate amounts at any time.

ESTABLISHING SELF-GOVERNANCE BASE BUDGETS

§ 1000.105 What are self-governance base budgets?

(a) A Tribe/Consortium self-governance base budget is the amount of recurring funding identified in the President’s annual budget request to Congress. This amount must be adjusted to reflect subsequent Congressional action. It includes amounts that are eligible to be base transferred or have been base transferred from BIA budget accounts to self-governance budget accounts. As allowed by Congress, self-governance base budgets are derived from:

(1) A Tribe’s/Consortium’s Pub. L. 93-638 contract amounts;

(2) Negotiated agency, regional, and central office amounts;

(3) Other recurring funding;

(4) Special projects, if applicable;

(5) Programmatic shortfall;

(6) Tribal priority allocation increases and decreases;

(7) Pay costs and retirement cost adjustments; and

(8) Any other inflationary cost adjustments.

(b) Self-governance base budgets must not include any non-recurring program funds, construction and wildland firefighting accounts, Congressional earmarks, or other funds specifically excluded by Congress. These funds are negotiated annually and may be included in the AFA but must not be included in the self-governance base budget.

(c) Self-governance base budgets may not include other recurring type programs that are currently in Tribal priority allocations (TPA) such as general assistance, housing improvement program (HIP), road maintenance and contract support. Should these later four programs ever become base transferred to Tribes, then they may be included in a self-governance Tribe’s base budget.

§ 1000.106 Once a Tribe/Consortium establishes a base budget, are funding amounts renegotiated each year?

No, unless otherwise requested by the Tribe/Consortium, these amounts are not renegotiated each year. If a Tribe/
