

**§ 1000.366**

**§ 1000.366 Can the Department conduct more than one trust evaluation per Tribe per year?**

Trust evaluations are normally conducted annually. When the Department receives information of a threat of imminent jeopardy to a trust asset, natural resource, or the public health and safety, the Secretary, as trustee, may conduct a preliminary investigation. If the preliminary investigation shows that appropriate, sufficient data are present to indicate there may be imminent jeopardy, the Secretary's designated representative:

- (a) Will notify the Tribe/Consortium in writing; and
- (b) May conduct an on-site inspection upon 2 days' advance written notice to the Tribe/Consortium.

**§ 1000.367 Will the Department evaluate a Tribe's/Consortium's performance of non-trust related programs?**

This depends on the terms contained in the AFA.

**Subpart P—Reports**

**§ 1000.380 What is the purpose of this subpart?**

This subpart describes what reports are developed under self-governance.

**§ 1000.381 How is information about self-governance developed and reported?**

Annually, the Secretary will compile a report on self-governance for submission to the Congress. The report will be based on:

- (a) Audit reports routinely submitted by Tribes/Consortia;
- (b) The number of retrocessions requested by Tribes/Consortia in the reporting year;
- (c) The number of reassumptions that occurred in the reporting year;
- (d) Federal reductions-in-force and reorganizations resulting from self-governance activity;
- (e) The type of residual functions and amount of residual funding retained by BIA; and
- (f) An annual report submitted to the Secretary by each Tribe/Consortium as described in

**25 CFR Ch. VI (4-1-06 Edition)**

**§ 1000.382 What may the Tribe's/Consortium's annual report on self-governance address?**

(a) The Tribe's/Consortium's annual self-governance report may address:

- (1) A list of unmet Tribal needs in order of priority;
  - (2) The approved, year-end Tribal budget for the programs and services funded under self-governance, summarized and annotated as the Tribe may deem appropriate;
  - (3) Identification of any reallocation of trust programs;
  - (4) Program and service delivery highlights, which may include a narrative of specific program redesign or other accomplishments or benefits attributed to self-governance; and
  - (5) At the Tribe's/Consortium's option, a summary of the highlights of the report referred to in paragraph (a)(2) of this section and other pertinent information the Tribes may wish to report.
- (b) The report submitted under this section is intended to provide the Department with information necessary to meet its Congressional reporting responsibilities and to fulfill its responsibility as an advocate for self-governance. The Tribal reporting requirement is not intended to be burdensome, and Tribes are encouraged to design and present the report in a brief and concise manner.

**Subpart Q—Miscellaneous Provisions**

**§ 1000.390 How can a Tribe/Consortium hire a Federal employee to help implement an AFA?**

If a Tribe/Consortium chooses to hire a Federal employee, it can use one of the arrangements listed in this section:

- (a) The Tribe can use its own Tribal personnel hiring procedures. Federal employees hired by the Tribe/Consortium are separated from Federal service.
- (b) The Tribe can "direct hire" a Federal employee as a Tribal employee. The employee will be separated from Federal service and work for the Tribe/Consortium, but maintain a negotiated Federal benefit package that is paid for by the Tribe/Consortium out of AFA program funds; or
