§ 1000.96 May a Tribe/Consortium continue to negotiate an AFA pending an appeal of residual functions or amounts?

Yes, pending appeal of a residual function or amount, any Tribe/Consortium may continue to negotiate an AFA using the residual information that is being appealed. The residual information will be subject to later adjustment based on the final determination of a Tribe's/Consortium's appeal.

§ 1000.97 What is a Tribal share?

A Tribal share is the amount determined for a particular Tribe/Consortium for a particular program at BIA regional, agency and central office levels under section 403(g)(3) and 405(d) of the Act.

§ 1000.98 How does BIA determine a Tribe's/Consortium's share of funds to be included in an AFA?

There are typically two methods for determining the amount of funds to be included in the AFA:

(a) *Formula-driven.* For formula-driven programs, a Tribe's/Consortium's amount is determined by first identifying the residual funds to be retained by BIA and second, by applying the distribution formula to the remaining eligible funding for each program involved.

(1) Distribution formulas must be reasonably related to the function or service performed by an office, and must be consistently applied to all Tribes within each regional and agency office.

(2) The process in paragraph (a) of this section for calculating a Tribe's funding under self-governance must be consistent with the process used for calculating funds available to non-self-governance Tribes.

(b) *Tribal-specific.* For programs whose funds are not distributed on a formula basis as described in paragraph (a) of this section, a Tribe's funding amount will be determined on a Tribe-by-Tribe basis and may differ between Tribes. Examples of these funds may include special project funding, awarded competitive grants, earmarked funding, and construction or other one-time or non-recurring funding for which a Tribe is eligible.

§ 1000.99 Can a Tribe/Consortium negotiate a Tribal share for programs outside its region/agency?

Yes, where BIA services for a particular Tribe/Consortium are provided from a location outside its immediate agency or region, the Tribe may negotiate its share from BIA location where the service is actually provided.

§ 1000.100 May a Tribe/Consortium obtain discretionary or competitive funding that is distributed on a discretionary or competitive basis?

Funds provided for Indian services/programs that have not been mandated by Congress to be distributed on a competitive/discretionary basis may be distributed to a Tribe/Consortium under a formula-driven method. In order to receive such funds, a Tribe/Consortium must be eligible and qualified to receive such funds. A Tribe/Consortium that receives such funds under a formula-driven methodology would no longer be eligible to compete for these funds.

§ 1000.101 Are all funds identified as Tribal shares always paid to the Tribe/Consortium under an AFA?

No, at the discretion of the Tribe/Consortium, Tribal shares may be left,
