No individual Indian may have an outstanding principal balance of more than \$500,000 in guaranteed or insured loans at any time. BIA can limit the size of loans it will guarantee or insure, depending on the resources BIA has available.

### § 103.6 To what extent will BIA guarantee or insure a loan?

- (a) BIA can guarantee up to 90 percent of the unpaid principal and accrued interest due on a loan.
  - (b) BIA can insure up to the lesser of: (1) 90 percent of the unpaid principal
- (1) 90 percent of the unpaid principal and accrued interest due on a loan; or
- (2) 15 percent of the aggregate outstanding principal amount of all loans the lender has insured under the Program as of the date the lender makes a claim under its insurance coverage.
- (c) BIA's guaranty certificate or loan insurance agreement should reflect the lowest guaranty or insurance percentage rate that satisfies the lender's risk management requirements.
- (d) Absent exceptional circumstances, BIA will allow no more than:
- (1) Two simultaneous guarantees under the Program covering outstanding loans from the same lender to the same borrower: or

## § 103.7 Must the borrower have equity in the business being financed?

The borrower must be projected to have at least 20 percent equity in the business being financed, immediately after the loan is funded. If a substantial portion of the loan is for construction or renovation, the borrower's equity may be calculated based upon the

reasonable estimated value of the borrower's assets after completion of the construction or renovation.

## § 103.8 Is there any cost for a BIA guaranty or insurance coverage?

BIA charges the lender a premium for a guaranty or insurance coverage.

- (a) The premium is:
- (1) Two percent of the portion of the original loan principal amount that BIA guarantees; or
- (2) One percent of the portion of the original loan principal amount that BIA insures, without considering the 15 percent aggregate outstanding principal limitation on the lender's insured loans.
- (b) Lenders may pass the cost of the premium on to the borrower, either by charging a one-time fee or by adding the cost to the principal amount of the borrower's loan. Adding the premium to the principal amount of the loan will not make any further premium due. BIA will guarantee or insure the additional principal to the same extent as the original approved principal amount.
