

§ 23.51 Grant carry-over authority.

Unless restricted by appropriation, and contingent upon satisfactory program evaluations from the appropriate area or agency office for an existing program, grantees are authorized to carry over unliquidated grant funds which remain at the end of a budget period. Such funds may be carried over for a maximum period of two years beyond the initial grant funding period and must be utilized only for the intent, purpose and scope of the original grant. These carry-over grant funds shall not be reprogrammed into other appropriation activities or subactivities. Funds carried over into another fiscal year will be added to the grantee's new fiscal year funding amount.

§ 23.52 Grant suspension.

(a) When a grantee has materially failed to comply and remains out of compliance with the terms and conditions of the grant, the grants officer may, after reasonable notice to the grantee and the provision of requested technical assistance, suspend the grant. The notice preceding the suspension shall include the effective date of the suspension, the corrective measures necessary for reinstatement of the grant and, if there is no immediate threat to safety, a reasonable timeframe for corrective action prior to actual suspension.

(b) No obligation incurred by the grantee during the period of suspension shall be allowable under the suspended grant, except that the grants officer may at his/her discretion allow necessary and proper costs which the grantee could not reasonably avoid during the period of suspension if such costs would otherwise be allowable under the applicable cost principles.

(c) Appropriate adjustments to the payments under the suspended grant will be made either by withholding the payments or by not allowing the grantee credit for disbursements which the grantee may make in liquidation of unauthorized obligations the grantee incurs during the period of suspension.

(d) Suspension shall remain in effect until the grantee has taken corrective action to the satisfaction of the grants officer, or given assurances satisfactory to the grants officer that correc-

tive action will be taken, or until the grants officer cancels the grant.

§ 23.53 Cancellation.

(a) The grants officer may cancel any grant, in whole or in part, at any time before the date of completion whenever it is determined that the grantee has:

(1) Materially failed to comply with the terms and conditions of the grant;

(2) Violated the rights as specified in § 23.49 or endangered the health, safety, or welfare of any person; or

(3) Been grossly negligent in, or has mismanaged the handling or use of funds provided under the grant.

(b) When it appears that cancellation of the grant will become necessary, the grants officer shall promptly notify the grantee in writing of this possibility. This written notice shall advise the grantee of the reason for the possible cancellation and the corrective action necessary to avoid cancellation. The grants officer shall also offer, and shall provide, if requested by the grantee, any technical assistance which may be required to effect the corrective action. The grantee shall have 60 days in which to effect this corrective action before the grants officer provides notice of intent to cancel the grant as provided for in paragraph (c) of this section.

(c) Upon deciding to cancel for cause, the grants officer shall promptly notify the grantee in writing of that decision, the reason for the cancellation, and the effective date. The Area Director or his/her designated official shall also provide a hearing for the grantee before cancellation. However, the grants officer may immediately cancel the grant, upon notice to the grantee, if the grants officer determines that continuance of the grant poses an immediate threat to safety. In this event, the Area Director or his/her designated official shall provide a hearing for the grantee within 10 days of the cancellation.

(d) The hearing referred to in paragraph (c) of this section shall be conducted as follows:

(1) The grantee affected shall be notified, in writing, at least 10 days before the hearing. The notice should give the date, time, place, and purpose of the hearing.
