

(Saturdays, Sundays, and public legal holidays excepted) after records have been made available, in the case of a partial denial.

(c) *Form of appeal.* (1) An appeal shall be initiated by filing a written notice of appeal. The notice shall be accompanied by copies of the original request and the initial denial and should, in order to expedite the appellate process and give the requester an opportunity to present his arguments, contain a brief statement of the reasons why the requester believes the initial denial to have been in error.

(2) The appeal shall be addressed to Freedom of Information Act Officer, Navajo-Hopi Indian Relocation Commission, P.O. Box KK, Flagstaff, Arizona 86002.

(3)(i) Both the envelope containing the notice of appeal and the face of the notice shall bear the legend "FREEDOM OF INFORMATION APPEAL". The failure of an appeal to bear such a legend will not disqualify an appeal from processing under §2.18 if the appeal otherwise meets the requirements of this section. An appeal not bearing the legend "FREEDOM OF INFORMATION APPEAL" will not, however, be deemed to have been received for purposes of the running of the time limit set out in §700.249 until it has been identified by Commission personnel as a Freedom of Information appeal and marked by them with this legend.

(ii) Commission personnel identifying a communication from the public not bearing the legend "FREEDOM OF INFORMATION APPEAL" as an appeal otherwise meeting the requirements of this section shall immediately (A) mark the communication with the legend "FREEDOM OF INFORMATION APPEAL," (B) date the appeal to reflect the date on which it was identified, and (C) take steps to assure proper processing of the appeal under the procedures in this subpart.

(4) The Freedom of Information Act Officer shall be responsible for promptly furnishing copies of such notices to the Executive Director and the Commission's legal counsel.

§ 700.249 Action on appeals.

(a) *Authority.* Appeals from initial denials of requests for records shall be de-

cided for the Commission by the Executive Director after consultation with the Commission's legal counsel.

(b) *Time limit.* A final determination on any appeal shall be made within twenty (20) days (excepting Saturdays, Sundays, and public legal holidays) after receipt of the appeal.

(c) *Extensions of time.* (1) If the time limit for responding to the initial request for a record was not extended under the provisions of §700.245 or was extended for fewer than ten (10) working days, the time for processing of the appeal may be extended by the Executive Director to the extent reasonably necessary to the proper processing of the appeal, but in no event may the extension, when taken together with any extension made during processing of the initial request, result in an aggregate extension with respect to any one request of more than ten (10) working days. The time for processing of an appeal may be extended only if one or more of the unusual circumstances listed in §700.245(c) requires an extension.

(2) The Executive Director shall, in writing, advise the appellant of the reasons for the extension and the date on which a final determination of the appeal is expected to be dispatched.

(3) If no determination on the appeal has been reached at the end of the twenty (20) working-day period for deciding an appeal, or the last extension thereof, the requester is deemed to have exhausted his administrative remedies, giving rise to a right of review in a district court of the United States as specified in 5 U.S.C. 552(a)(4). When no determination can be reached within the applicable time limit, the appeal will nevertheless continue to be processed. On expiration of the time limit, the requester shall be informed of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his right to seek judicial review. The requester may be asked to consider delaying resort to his right to judicial review until the date on which the determination on his appeal is expected to be dispatched.

§ 700.251

25 CFR Ch. IV (4-1-06 Edition)

(d) *Form of decision.* The final determination on an appeal shall be in writing and shall state the basis for the determination. If the determination is to release the requested records or portions thereof, the Freedom of Information Act Officer shall immediately make the records available or instruct the appropriate bureau official to make them immediately available. If the determination upholds in whole or part the initial denial of a request for records, the determination shall advise the requester of his right to obtain judicial review in the U.S. District Court for the district in which the withheld records are located, or in which the requester resides or has his principal place of business or in the U.S. District Court for the District of Columbia, and shall set forth the names and titles or positions of each person responsible for the denial.

(e) *Distribution of copies.* Copies of final determinations issued by the Commission shall be provided to the Commission's legal counsel.

§ 700.251 Fees.

(a) *Services for which fees may be charged.* (1) Unless waived pursuant to the provisions of paragraph (c) of this section, user fees shall be charged for document search and duplication costs incurred in responding to requests for records. User fees also shall be charged for the formal certification of verification attached to authenticated copies of records under the seal of the Commission.

(2) Unless waived or reduced pursuant to paragraph (c) of this section, user fees shall be charged in accordance with the schedule of charges contained in the Commission's Management Manual.

(b) *Services for which fees may not be charged.* No fee may be charged for any services required by the Freedom of Information Act to be performed in responding to a request for records other than those services for which fees may be charged under paragraph (a) of this section. Services for which no fees may be charged include, but are not limited to,

(1) Examining requested records to determine whether they are exempt from mandatory disclosure or whether,

even if exempt, they should nevertheless be made available in whole or part,

(2) Deleting exempt matter from records so that the remaining portions of the records may be made available,

(3) Monitoring a requester's inspection of agency records made available to him for inspection, and

(4) Resolving legal and policy issues affecting access to requested records.

(c) *Waiver or reduction of fees.* (1) Fees otherwise chargeable for document search and duplication costs incurred in responding to requests for records may be waived or reduced, as appropriate, if the official making the records available determines that furnishing the records can be considered as primarily benefiting the public as opposed to the requester.

(2) Fees otherwise applicable for document research and duplication costs incurred in responding to requests may be waived and not charged if the request involves:

(i) Furnishing unauthenticated copies of any documents reproduced for gratuitous distribution;

(ii) Furnishing one copy of a personal document (e.g., a birth certificate) to a person who has been required to furnish it for retention by the Commission;

(iii) Furnishing one copy of the transcript of a hearing before a hearing officer in a grievance or similar proceeding to the employee for whom the hearing was held.

(3) Fees otherwise chargeable for document search and duplication costs incurred in responding to requests may be waived or reduced if the cost of collecting the fee would exceed the amount of the fee or if the request involves:

(i) Furnishing records to press, radio and television representatives for dissemination through the media to the general public;

(ii) Furnishing records to donors with respect to their gifts;

(iii) Furnishing records to individuals or private non-profit organizations having an official voluntary or cooperative relationship with the Commission to assist the individual or organization in its work with the Commission;

(iv) Furnishing records to state, local and tribal governments and public
