

§513.32

the Notice of Intent will stay collection proceedings and that a final decision will be issued at the earliest practical date, but not later than 60 days after the filing of the petition for hearing, unless the employee requests, and a hearing official grants, a delay in proceedings;

(10) An explanation of the effect of submitting knowingly false or frivolous statements; and

(11) Notice that amounts paid on or deducted from debts that are later waived or found not to be owed will be promptly refunded to the employee.

§513.32 What are the hearing procedures when the Commission is the creditor agency?

(a) To request a hearing, the debtor must file, within 15 days of receiving the Commission's notice of intent to offset, a written petition signed by the debtor and addressed to the Commission stating why the debtor believes the Commission's determination of the existence or amount of the debt is in error. The Commission may waive the 15-day time limit for filing a request for hearing if the employee shows that the delay was due to circumstances beyond his or her control or because the employee did not receive notice of the 15-day time limit. A debtor who has previously obtained a hearing to contest a debt that arose from a notice of violation or proposed civil fine assessment matters under 25 CFR part 577 may not re-litigate matters that were at issue in that hearing.

(b) Regardless of whether the debtor is a Commission employee, the Commission will provide a prompt and appropriate hearing before a hearing official who is not from the Commission.

(c) The hearing will be conducted according to the FCCS review requirements at 31 CFR 901.3(e).

(d) Unless the employee requests, and a hearing official grants, a delay in proceedings, within 60 days after the petition for hearing the hearing official will issue a written decision on:

(1) The determination of the creditor agency concerning the existence or amount of the debt; and

(2) The repayment schedule, if a schedule was not established by writ-

ten agreement between the employee and the creditor agency.

(e) If the hearing official determines that a debt may not be collected by salary offset but the Commission has determined that the debt is valid, the Commission may seek collection of the debt through other means in accordance with applicable law and regulations.

(f) The form of hearings, written responses, and final decisions will be according to the Commission's review requirements at §513.7. Written decisions regarding salary offset that are provided after a request for hearing must state: The facts purported to evidence the nature and origin of the alleged debt; the hearing official's analysis, findings, and conclusions as to the employee's or creditor agency's grounds; the amount and validity of the alleged debt; and, where applicable, the repayment schedule.

§513.33 Will the Commission issue a certification when the Commission is the creditor agency?

Yes. Upon completion of the procedures established in this subpart and pursuant to 5 U.S.C. 5514, the Commission will submit a certification to Treasury or to a paying agency in the form prescribed by the paying agency.

§513.34 What opportunity is there for a voluntary repayment agreement when the Commission is the creditor agency?

(a) In response to a Notice of Intent, an employee may propose to repay the debt voluntarily in lieu of salary offset by submitting a written proposed repayment schedule to the Commission. A proposal must be received by the Commission within 15 calendar days after the employee is sent the Notice of Intent.

(b) The Commission will notify the employee whether, within the Commission's discretion, the proposed repayment schedule is acceptable.

(c) If the proposed repayment schedule is unacceptable, the employee will have 15 calendar days from the date the notice of the decision is received in which to file a request for a hearing.

(d) If the proposed repayment schedule is acceptable or the employee agrees to a modification proposed by
