Bureau of Indian Affairs, Interior

§ 173.9

SOURCE: 22 FR 10642, Dec. 24, 1957, unless otherwise noted. Redesignated at 47 FR 13327, Mar. 30, 1982.

§ 173.0 Scope.

The regulations in this part are promulgated governing the granting of concessions, business, agricultural and grazing leases or permits on reservoir sites, reserves for canals or flowage areas, and other lands withdrawn or otherwise acquired in connection with the San Carlos, Fort Hall, Flathead and Duck Valley or Western Shoshone irrigation projects.

§ 173.1 Terms used.

When used in this part "Secretary" refers to the Secretary of the Interior; "project" to the Federal Indian irrigation project on which concession, lease or permit is granted, and "project engineer" to the engineer in charge of said project.

§ 173.2 Project engineer's authority.

The project engineer is the official charged with the responsibility for the enforcement of this part. He is vested with the authority to issue temporary concession permits to applicants for periods not to exceed 30 days. All except temporary permits shall become effective when approved by the Secretary.

§ 173.3 Enforcement.

The project engineer shall enforce these and all project regulations now or hereafter promulgated by the Secretary. Willful violation or failure to comply with the provisions of this part and all proper orders of the project engineer shall be cause for revocation of the permit by the Secretary who shall be the judge of what constitutes such violation. The project engineer may suspend any permit for cause. The project engineer shall, immediately after suspending a permit, submit to the Secretary through the Commissioner of Indian Affairs a detailed report of the case, accompanied by his reasons for the action and his recommendations, for final action by the Secretary.

§ 173.4 Permits subject to existing and future rights-of-way.

Use by the permittee of any land authorized under this part shall be subject to the right of the Secretary to establish trails, roads and other rights-of-way including improvements thereupon or through the premises, and the right to use same by the public. No interference shall be permitted with the continued use of all existing roads, trails and other rights-of-way and improvements thereon.

§ 173.5 Plans, approval thereof.

No building or other structure shall be erected by permittee except in accordance with plans, specifications and locations approved by the project engineer. All premises and appurtenances shall be kept in a sanitary, safe and sightly condition.

§ 173.6 Stock grazing.

Permittees may graze upon lands covered by such permits, such stock as may be required in connection with the purposes for which the permit is issued subject to such restrictions and limitations as may be prescribed by the project engineer.

§ 173.7 Permits, transferable.

Permits may be transferred only with the approval of the Secretary.

§ 173.8 Applications.

All applications for permits must be made on the approved form. The project engineer will furnish copies of this form upon request. All applications must be executed in triplicate.

§ 173.9 Bonds.

Except in cases of temporary concession permits, leases, permits, and traders' licenses granted under parts 166, 162, and 140 of this chapter, which are governed by the requirements of those parts, the applicant shall within 60 days after approval of the application furnish a surety bond for the faithful performance of the terms of the permit in an amount equal to the total sum accruing during the period of the permit. Such bond shall be executed by an approved surety company, or by at least three individual sureties, whose
