

§ 173.10

individual unencumbered assets are equal to double the amount of the bond. In the case of temporary concession permits, the permittee shall deposit at the time of receiving the permit, a sum equal to twice the rental, which sum shall, upon the expiration of the permit, be refunded to the permittee, if all the terms and conditions of the permit have been met; otherwise, such sum shall be retained as liquidated damages.

§ 173.10 Payments.

Each permittee shall pay at the time of receiving the permit the first year's charge as fixed therein. When a permit extends over a period of years, the next and succeeding payments shall be due and payable annually in advance. The full amount accruing under a temporary permit shall be paid at the time the application is filed.

§ 173.11 Supervision of permittees' rates.

All rates or charges collected by a permittee for services rendered by the permittee in the operation of the concession granted under a permit, must be submitted through the project engineer to the Secretary for approval. Copies of the approved rate schedule shall be posted in at least two conspicuous places on the premises. Approved rates may not be changed without first obtaining in the same manner a change in the rate schedule. The Secretary shall have the right to readjust rates charged from time to time and to amend or change any permit issued. Failure to comply with the approved rates automatically makes the permit subject to cancellation.

§ 173.12 Services from project.

When the facilities of the project make it possible to supply water for domestic purposes, electricity or any other type of service to the permittee, the cost of connecting the project facilities shall be borne by the permittee and the work must be in accordance with standard practices and accepted by the project engineer, and as provided for in project regulations. All services rendered by the project to the permittee shall be paid for at the existing or modified schedule of rates; or if

no schedule has been approved, at a rate to be approved by the Secretary which will reasonably reimburse the project for the cost of such services.

§ 173.13 Permit not a lease.

Any permit issued under this part does not grant any leasehold interest nor cover the sale, barter, merchandising, or renting of any supplies or equipment except as therein specified. Any permittee who engages in trade with the Indians must also apply for and receive a trader's license as provided by part 140 of this chapter.

§ 173.14 Further requirements authorized.

The project engineer is authorized to incorporate into any proposed permit to meet the needs of any particular case, subject to the approval of the Secretary, such further special requirements as may be agreed upon by him and the applicant, such requirements to be consistent with the general purposes of this part.

§ 173.15 Permittee subject to State law.

The holder of any permit issued under this part shall be subject to and abide by the laws and regulations of the United States and State laws if applicable to the conduct of the particular business or activity conducted by the permittee. Violations of this section shall render the permit void but shall not release the permittee from any obligations arising thereunder.

§ 173.16 Reserved area, Coolidge Dam.

No permit for any commercial business or other activity (except boating concessions confined to the Soda Spring Canyon) shall be issued to any applicant to operate within a radius of three-fourths of a mile from the center of the Coolidge Dam, Arizona.

§ 173.17 Agricultural and grazing permits and leases.

(a) Permits or leases may be granted after the lands set forth in §173.0 have been classified as to use and then only for the purpose for which the land is classified. Permits for grazing lands suitable for division into range units shall be granted in accordance with
