In order to make any substantive revision or amendments to regulations in this part, the Secretary shall take the following actions:

(a) Consult with Indian tribes and national and regional Indian organizations to the extent practicable about the need for revision or amendment

§ 273.4 Policy of maximum Indian participation.

The meaningful participation in all aspects of educational program development and implementation by those affected by such programs is an essential requisite for success. Such participation not only enhances program responsiveness to the needs of those served, but also provides them with the opportunity to determine and affect the desired level of educational achievement and satisfaction which education can and should provide. Consistent with this concept, maximum Indian participation in the development, approval and implementation of all programs contracted under this part shall be required.

Subpart B—Application Process

§ 273.11 Eligible applicants.

(a) Any State, school district, tribal organization or Indian corporation is eligible to apply for contracts for supplemental or operational support programs. For the purposes of this part, previously private schools as defined in §273.2(n) are considered tribal organizations.

(b) States, school districts, or Indian corporations shall apply for contracts

§ 273.12

for supplemental or operational support programs as required in this part.

(c) Tribal organizations must comply with the following requirements to obtain contracts for supplemental programs or operational support:

(1) The application submitted by the tribal organization shall meet the requirements in §273.20 in addition to those in §271.14 of this chapter.

(3) The provisions in §§271.71 through 271.77 of this chapter concerning retrocession and reassumption of programs do not apply to a tribal organization retroceding a contract for supplemental programs or operational support as the Bureau does not operate education programs authorized to be contracted under the Johnson-O'Malley Act. However, the tribal organization may retrocede such a contract and the Bureau will then contract with a State, school district, or Indian corporation under this part for the supplemental programs or operational support.

(4) The requirements in §§273.12 through 273.18, 273.20, 273.21, 273.31 through 273.38, 273.41, 273.51 and 273.52 shall apply to such contracts with tribal organizations.
