Dear Sample A. Sample:

I am pleased to announce that the long awaited Open Season for the Federal Long Term Care Insurance Program is here! This outstanding Program offers us the ability to help us take responsibility for our future.

Members of the Federal Family who enroll will have the peace of mind knowing that they can maintain their financial independence and personal dignity if they are one day unable to care for themselves. That is what makes this insurance coverage one of the nicest gifts we can give to our children, our spouses, our parents, other family members, and, quite frankly, to ourselves.

With access to long term care insurance, we can act responsibly by planning for the future. And that can give us more time to focus our love and attention on what's really important — family.

At a time when you and your family members face unimagined challenges, the Federal Long Term Care Insurance Program can help protect you financially. I urge you to learn more about this Program — and to request a free Open Season Information Kit, including an application, today!

Sincerely,

Kay Coles James, Director, U.S. Office of Personnel Management

P.S. Because I believe so strongly in long term care insurance and the peace of mind it can bring, I have enrolled in the Federal Long Term Care Insurance Program myself. To find out more about this Program, just complete and mail the attached **FREE OPEN SEASON INFORMATION REQUEST FORM**...or call toll-free **1-800-LTC-FEDS** (1-800-582-3337), TDD 1-800-843-3557...or visit **www.LTCFEDS.com**.

Please Note: *You have to request an Open Season Information Kit and application even if you have previously requested other information on the Program. Also, the application for Open Season is different from Early Enrollment. Even if you still have an Early Enrollment application and want to apply, you will need to request an Open Season Information Kit for a new application.*

Please respond within the next 10 days.
