Federalism

The Coast Guard has analyzed this proposal under the principles and criteria contained in Executive Order 12612, and it has been determined that this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment. The authority to regulate the permits of bridges over the navigable waterways of the United States belongs to the Coast Guard by Federal Statutes.

Environment

The Coast Guard considered the environmental impact of this rule and concluded that under paragraph 2.B.2 of Commandant Instruction M16475.1C, this temporary rule is categorically excluded from further environmentally documentation. A "Categorically Exclusion Determination" is available in the docket for inspection or copying where indicated under ADDRESSES.
