Dear Commission Jane Henney,

I do not want  
your milk. It is not healthy, it increases my  
risk of getting cancer. Are you & your family  
drinking this milk at your house that contain  
BHT. Do you let your children drink this. You  
did not even ask the community to put BHT in  
the milk it is dangerous. If you do not ~~take~~  
it out our dairy food we will tell the whole  
world & no body will be buying your product.  
So you have a choice take it out our food or go  
bankrupt because no body will be buying your stuff

Regretfully

Yours

Shirone Peters

P.S. Thanking you in advance !!
