Dear Sirs, OF FDA + Bush administration:

We the American people <sup>1499</sup> are ~~tired~~ <sup>of</sup> ~~big~~ <sup>money</sup> and big companies <sup>that</sup> dictate the way you pass laws because they want to get richer faster!!

We should not be looked at as little animals to be tested on.

You have a job to do, so do it!

FDA ① we need mandatory pre-market safety testing on GE Food

FDA ② mandatory pre-market environment review

FDA ③ mandatory labeling of GE foods

④ We are insulted that FDA irresponsibly ignore strong scientific evidence of potential health risks etc.
