Washington, D.C. 20204

To Whom It May Concern:

Nature's Way Products, Inc. wishes to notify the Food and Drug Administration that it has, within the past 30 days, commenced marketing a dietary supplement which bears a statement under Section 403(r)(6) of the Federal Food, Drug and Cosmetic Act.

The dietary supplement for which the statement is made is Milk Thistle standardized liquid alcohol extract. The dietary ingredient that is the subject of the statement is Milk Thistle. The statement reads as follows:

"Liver Support Herb. Milk Thistle's active bioflavonoid complex, silymarin, is a powerful antioxidant that promotes normal liver function. Silymarin exerts a protective effect against substances that may be harmful to the liver."

This statement is accompanied by the required disclaimer which is prominently displayed in bold-faced type.

The information contained in this notice is complete and accurate and the above statement is based on data which renders these statements substantiated, truthful and non-misleading.

Sincerely,

NATURE'S WAY PRODUCTS, INC.

Gordon M. Walker
