RE: Notification of Nutritional Support Statements

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of TMG, a dietary supplement. Source Naturals® is the manufacturer of TMG.

Statements being made in the labeling of TMG:

- (1) Maintaining normal homocysteine levels within a normal range is important for the health of the cardiovascular system.
- (2) TMG has been shown to help protect the liver and raise S-adenosylmethionine (SAM) levels in animal studies.
- (3) SAM may help to promote a balanced emotional state.

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.

Ira L. Goldberg
President, Source Naturals®
