RE: Notification of Nutritional Support Statements

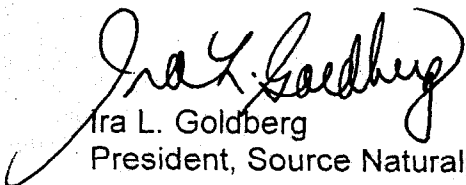

Dear Sir or Madam:

I hereby notify the Food and Drug Administration (FDA) of the use of statements of nutritional support in the labeling of CM Complex™, a dietary supplement. Source Naturals® is the manufacturer of CM Complex™.

Statements being made in the labeling of CM Complex™:

(1) CM Complex™ contains cetyl myristoleate, which is an all-natural ester form of a fatty acid. Fatty acids have important functions in the building and maintenance of healthy cells, and are used by the body as emulsifiers and lubricants

To the best of my knowledge, and based upon information and belief present at the time of the execution of this notice, I certify that the above information is accurate and complete. Source Naturals possesses substantiation that the statements are truthful and not misleading.
