

Docket # OON-1396 +000-1598  
Sept 2, 2001

Dear Commissioner,

As a consumer, I am concerned  
about the quality of the food I eat & believe  
it is your job to require both labeling & nutritional  
information for all packaged foods, so  
I can feel good about using my freedom of  
choice - Thomas Orange

OON-1396
