

Docket #00N-1396 v 00P-1598

Dear Commissioner, 2/21/01

As a consumer, I am concerned  
@ the quality of the food I EAT  
& therefore URGE you to require  
both LABELING & PREMARKET SAFETY  
TESTING for GE foods, so that I  
may feel confident in using my  
freedom of choice! Thank you  
Victoria Tette
