

Docket # 00 D-1598 and Docket # 00N-1396

To whom it may concern,

I feel it should be a law, and
a right for every consumer to
know what ~~is~~ ^{is} ~~in~~ ⁱⁿ ~~the~~ ^{the} ~~products~~ ^{products}
we buy come from. I feel I need to
require the right to both labeling
of GE products, as well as market
safety testing. This should be obvious!
Thank you, Paula
