

Comments on Docket #'s OOD-1598 & OON-1396

Dear Commissioner,

As a consumer, I am concerned about the quality of my food, and its impact on human and environmental health. Therefore I urge you to rethink your position on GM foods, to require both pre-market safety testing, and labeling of these new foods — so that I may feel confident using mef. —
FREEDOM OF CHOICE!

Sincerely, Tomazine M. Reeves
