

Pockets # 000 1598 and 00N-1396

Dear Commissioner,

As a consumer I am quite concerned about GMO foods. Please ~~0,0 I urge you to~~ require testing of GMO foods with respect to health & the environment (weedy genes could be a major catastrophe to our crops & ~~of~~ natural communities). At the very least GMO foods should be clearly labeled. Thank you,  
Paul Jones
