

Docket #00N-1396, 00D-1598

Dear Commissioner,

As a consumer I am concerned about the quality of food I consume. I urge you to require both labeling and pre-market testing for G.E. foods, so that I may feel comfortable eating foods I buy in the grocery store.

Sincerely

1227 '01 MAR 13 AM 11:43  
Ashmed Calak
