

Commissioner,

In writing in regard to DOCKET# 00D-1598 and  
00N-1396. The FDA should be a regulator, not  
a promoter of the food industry. I urge you  
to require both pre-market safety testing  
and mandatory labeling of genetically  
engineered foods. MAR 13 AM 1:40

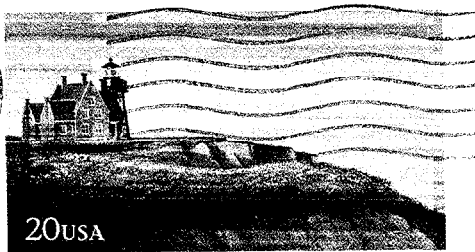

Sincerely,

Marcus Gressen  
3004 1/2 Arroyo NE  
Albuquerque NM 87107
