

# Camper Drop-offs and Pick-ups

2008 - Revision 7, Effective July 16, 2008

Glacier Bay National Park and Preserve  
National Park Service  
U.S. Department of the Interior

## Campers take note:

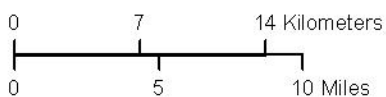

There have been two changes in drop-off and pick-up locations:

1) The location of the Queen Inlet drop-off and pick-up site changed in early June of 2008. Check your map and coordinates with the rangers to ensure you have the correct location.

2) The Mt. Wright site is closed. Sebree Island will be used as of July 15. The boat will continue to look for campers at Mt. Wright until July 22.

**Drop-offs and Pick-ups  
July - Sept.**

The map shows drop-off and pick-up locations scheduled as of July 2008. These sites have changed this summer due to bear activity.

Please contact the Visitor Information Station for more information on camper drop-offs in Glacier Bay. 907-697-2627

# Camper Drop-offs and Pick-ups

2008 - Revision 7, Effective July 16, 2008

Glacier Bay National Park and Preserve  
National Park Service  
U.S. Department of the Interior

Campers take note:  
The location of the Queen Inlet drop-off and pick-up site changed in early June of 2008. Check your map and coordinates with the rangers to ensure you have the correct location.

Campers take note:  
The location of the Mt. Wright drop-off and pick-up site changed on July 15 to Sebree Island. Check your map and coordinates with the rangers to ensure you have the correct location.

Note: This small islet is closed to foot traffic and camping. Approach no closer than 100 yards.

Location	Dates	Lat. and Long. in WGS84
Sebree Island	July 15-early Sept.	58 45.335 N, 136 09.835 W
Queen Inlet	July-early Sept.	58 52.461 N, 136 30.413 W

These sites have been changed during July of summer 2008 and may need to change again.
