

DEAR FDA COMMISSIONER,

I BELIEVE THAT GENETICALLY ENGINEERED FOOD SHOULD BE THOROUGHLY TESTED BEFORE IT HITS THE PUBLIC. THESE FOOD CAN BE DETRIMENTAL TO THE HEALTH OF A GOOD PORTION OF THE POPULATION. THE ~~OPTION~~ OPTION OF LABELING THE GENETICALLY ENGINEERED FOOD SHOULD BE CHANGED TO A MANDATE. I WOULD LIKE THIS STATEMENT TO BE ADDED TO THE OFFICIAL RECORD OF THE PUBLIC COMMENT PERIOD IN REGARDS TO THIS SUBJECT.

SINCERELY
