

Good thing. I have a ~~very~~ sick sense  
of humor so I can enjoy all the  
things you drones are <sup>up to.</sup> <sup>NO:25</sup>

I'd ask you to stop,  
but you must follow your erroneous path  
until your moment of death when you  
realize the foolishness of almost all your actions.

But on behalf of my friends, more testing please  
on GIMOS
