Re. Stopping the downed
animal trade
Grant petition 98P-0151/CPI
to prohibit the slaughter
of downed animals.

I urge you to stop the slaughter
of downed animals if they are
too sick to stand up they should
not be used for human con-
sumption. Some animals could
also be afflicted with a form
of "Mad Cow Disease".

Animal should be handled better and cared for to prevent most of the downed animals.

I urge you to grant petition 98P-0151/CPI to prohibit the slaughter of downed animals.

It is the right thing to do for the animals and the humans who consume the meat.

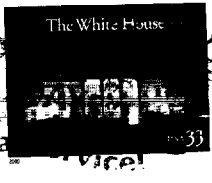

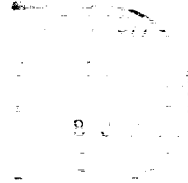

Sincerely

Edda Sydas
