Dear Sirs and Madams:

I'm writing to ask you to please grant
petition 98P-0151/CP1. No one, absolutely no one
wants animals who are too sick or injured even to
stand up to be able to be used as food.
I read in the papers just last month about
a link between "Mad Cow Disease" ~~downed~~ and
downed animals getting into the food supply.
But aside from that, everyone, not ~~of~~ just
vegetarians or animal lovers, wants downed
animals outlawed. I ~~was~~ circulated a
petition about a year ago to send to
US Representative Richard Pombo about such a
law, and I happened to keep copies of
the signatures. Trust me: it was so very
easy to get signatures. Even meat-eaters
want this law. I'm sending you the copies,
to prove how many people signed the
original, which was sent to Rep. ~~R~~ Pombo.

Yours truly,

Lana Shelton
(LANA SHELTON)
