

Please grant the petition to prohibit the
Slaughter of downed animals - docket #
98P-0151/CP1 ! It is impossible to move
downed animals humanely & they are typically
pushed with tractors or dragged with chains -
inhumane processes which must be stopped!
Prohibiting this type of marketing won't cause
any economic hardship that's undue because
all this will hurt is a very small % of all the
animals slaughtered. Please do the right
thing and help these animals die humanely
and without unnecessary suffering.
Thank you! Sincerely Dora Case
