

DOCKET # OON-1396 & OOD-1598

Dear Commissioner,

As a consumer I am concerned about the  
quality of the food I eat and therefore  
urge you to require both labeling and  
pre market safety testing for GE foods, so  
that I may feel confident in using my  
freedom of choice

Thank you!

Sincerely, Jack Brunacini

OOD-1598
