

Docket # OON-1396 + OOD-1598 2/3/2001

Dear Commissioner,

I am concerned about the quality of  
my food and the impact of genetic engineering  
on foods, humans + the resulting  
environmental health issues. I urge  
you to think clearly and require pre-  
market safety testing and labeling of these  
foods. 0070 01 FEB -7 12 33 CAUSE I WON'T EAT THEM!  
your pal on the planet, Rebecca Plum
