

Packet # OOD-1598 or OOD-1396

Dear Commissioner,
The FDA s/b a regulator, not promoter of the food industry. I am growing increasingly concerned about the ^{role of} the government in industry and the subsequent decline in my food choice. I urge you to require both labeling & pre-market safety testing of these novel foods, that present unique & unforeseen hazards. I wish to avoid these foods for myself, family & friends. Please Allow me my freedom of choice Sincerely Cindy M Scott
