

re: Dockets # 00D-1598 & #00N-1396

Dear Commissioner,

As a consumer I am ~~very~~ ~~concerned~~ about the quality of food I eat. I urge you to require both labeling and pre-market safety testing of genetic-engineered foods. Please do all you can to protect humanity, as well as the environment. Thank You, Sincerely, Andrew Ridley

00D-1598
