

Docket # OON-1396 + OOD-1598

Dear Commissioner

As a consumer I am concerned  
about the quality of the food I eat and  
therefore urge you to require both  
labeling and pre market safety testing  
for genetically engineered foods, so that  
I may feel confident in choosing the  
quality of the food I eat.

Thank you,

Mary Jo RN,  
MA
