To Whom It May Concern:

RE: Eternity (Fragrances)

I strongly request that the FDA label perfumes,
in Eternity, So many people believe that if a product
is sold in stores it must be safe and already tested. I, too,
once thought that to be the case. Unfortunately I lost a lot of
my health and have definitive reactions to fragrance as such.

Please assume responsibility for alerting all about
the health concerns of use now, and long term, if known.

Sincerely,
Linda Anderson
