Please select one of the following:

- Award for Original Scientific Research:*** to recognize an individual's outstanding recent achievements in HIV/AIDS research.
- Award for Contributions Supporting HIV/AIDS Research and Programs:*** to recognize types of activities including, but not limited to, the administration of scientific programs, communication related to NIH programs, community relations, clinical care and social work.

Please attach:

- ***An official letter of nomination:*** no longer than three (3) typed pages, addressed to the NIH World AIDS Day Awards Review Committee clearly stating the reasons why the nominee should be considered for the award.
- ***Supporting material:*** for example, a published paper(s), manuscript, second letter of support, web page, etc. Materials published online should be printed for inclusion.

Send the complete nomination package by c.o.b. October 20 to:

Dr. Robert Eisinger
World AIDS Day Award Administrator
Office of AIDS Research
National Institutes of Health
